

January 11, 2017 Joint Meeting of the State Board of the Education and the Workforce Board

9:15-10:00 Dialogue with SPI Reykdal

Both boards will come together in SBE meeting room, with extra chairs placed around the tables. (It will be cozy, and 3 or 4 members will be sharing each microphone.)

1:30-4:30 Career Readiness Discussion

Facilitator: Agnes Balassa

Facilitator will direct, keep things moving, and facilitate the report-out at the end

1:30-2:00 Introduction (30 minutes)

Isabel and Perry will welcome everyone and each Board member will introduce themselves

Deb Merle will speak on the governor's agenda

2:00-3:30 World Café (90 minutes)

Members and members of the public will participate in small group discussions. During this segment, participants may visit three tables and discuss three different topics.

Table topics will include:

- Teaching career readiness skills: How might career readiness principals be taught across the curricula, in both academic and career and technical education courses?
- Aligning career readiness efforts across the educational system (K-12, Secondary, Post-secondary) How could we better align our education system to help students become ready for post-secondary education and work?
- Engaging business: How might we make it easier for businesses to help support the development of readiness skills in K-12 and workforce development, generally)?
- Expanding promising practices: How might we expand career-connected learning statewide rather than in pockets of best/promising practices.
- Ensuring equity: How might we assure that all students have equitable access to opportunities to become ready for careers and post-secondary education?

3:30-4:10 Report out and conclusion (40 minutes)

4:10-4:30 Approval of the joint resolution (20 minutes)
