Park Middle School

Park will be a Focus school in the 2014-15 school year

Park Middle School was originally built on its present 30-acre site in 1963. A complete remodel of the facility was completed in December of 1999. Park has a wealth of technology. Features include: two 30 station computer research lab, one 30 station computer classroom and capacity for mini labs in each classroom. Video projectors, document cameras and video capabilities in every classroom plus Internet access are other technology features having a positive impact on instruction.

Student Demographics		
Enrollment		
October 2012 Student Count		87

Phoenix High School

Phoenix High School offers project-based learning. Student progression is performance-based rather than seat-time based. It is based on a different design than comprehensive high schools. It will expand from only 40 students in the first year to 100 students over an eight year period.
