Purpose of the proposal and its anticipated effects, including any changes in existing rules:

RCW 28A.657.030, section (3) requires the state board of education to annually designate districts recommended by the superintendent of public instruction as required action districts. The purpose of this proposal is to amend existing rule WAC 180-17-010 to change the timeframe when the state board must designate required action districts from January of each year to the end of March of each year.

Reasons supporting proposal: Data used by OSPI for making its recommendation of required action districts typically will not be available until after January. The data includes school and district graduation rate data, which is not complete and verified until after January each year.
