Washington's Public Baccalaureates

There are six public baccalaureate institutions in Washington: **Central Washington University, Eastern Washington University, The Evergreen State College, University of Washington, Washington State University, and Western Washington University.** Each is governed by either an eight member board of trustees or ten member board of regents and led by one of the presidents shown below:

President
**George
Bridges**
*The Evergreen
State College*

President
**Ana Mari
Cauce**
*University of
Washington*

President
**Mary
Cullinan**
*Eastern Washington
University*

President
**James
Gaudino**
*Central Washington
University*

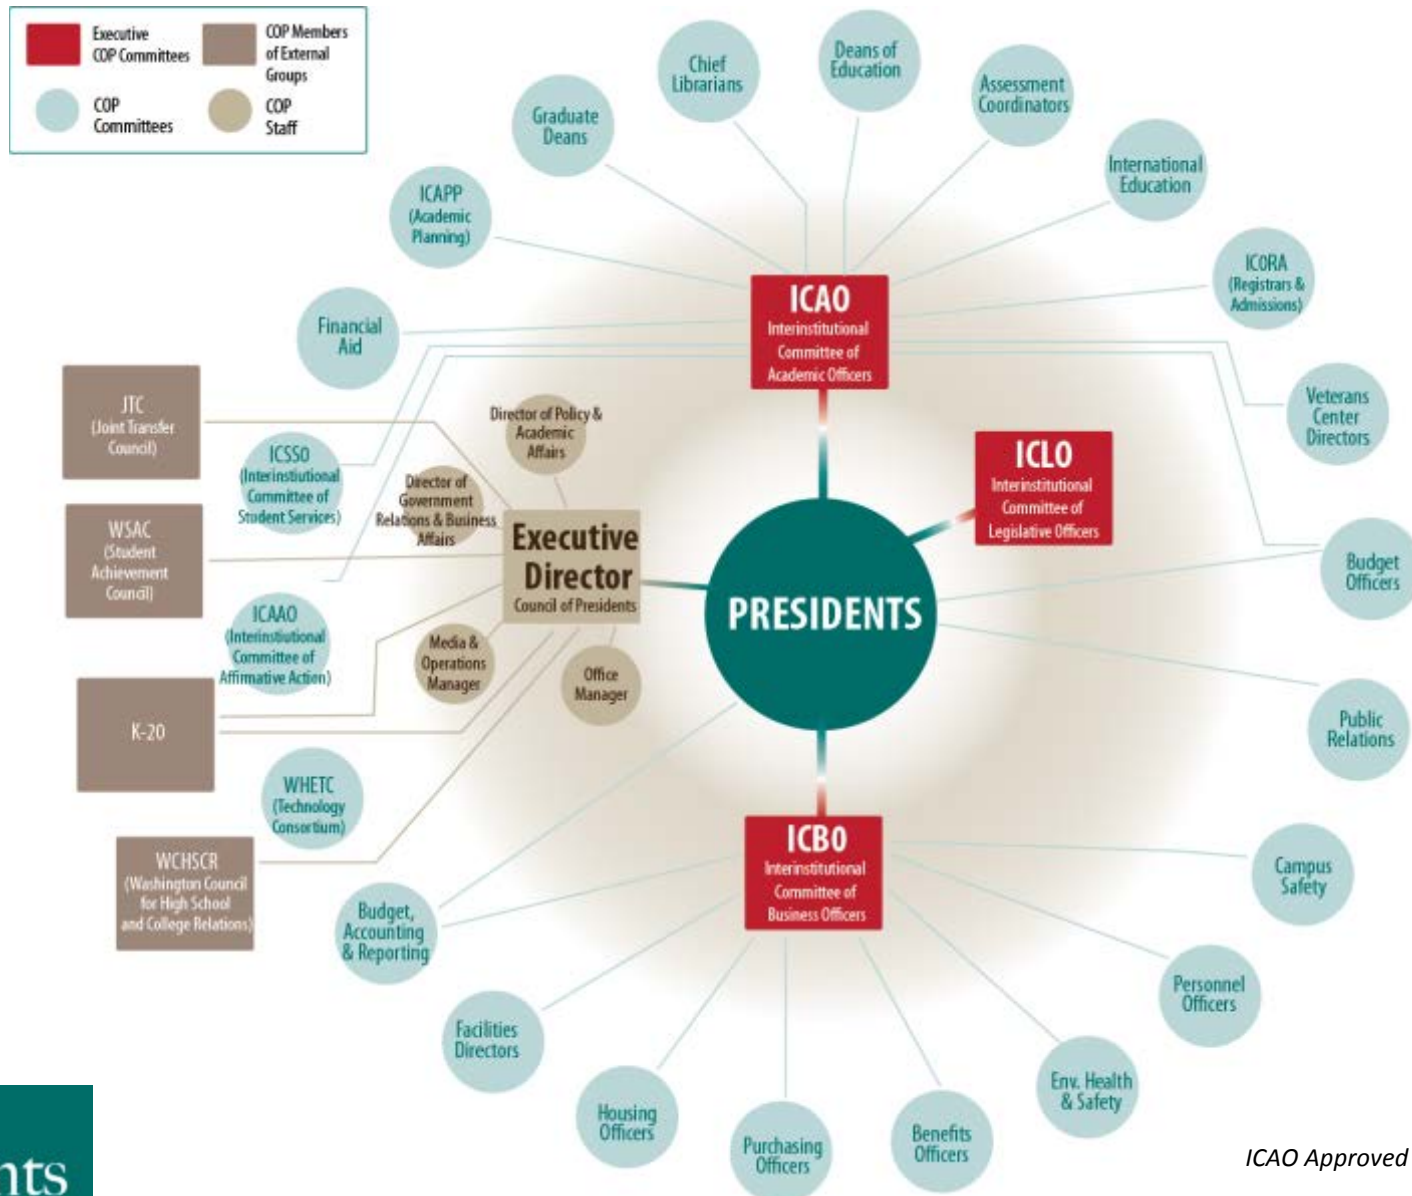

President
**Sabah
Randhawa**
*Western Washington
University*

President
**Kirk
Schulz**
*Washington State
University*

Transfer and Articulation

Percentage of Transfer Students to Baccalaureate Programs by Sector, 2013-14

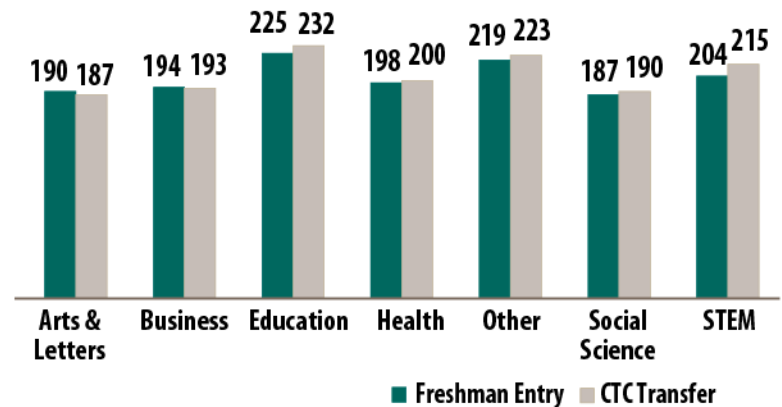

“Washington state is fortunate to have a 40-year history of public two- and four-year institutions working together to facilitate the transfer process for students.”

-- CCRC, Columbia University Teachers College, July 2014

Transfer Students Progress and Completion

- In Washington transfer students graduate with a bachelor's degree with a similar number of total credits as those who start at a four-year institution as a freshman. This not true nationally.
- Washington students transfer with an associate degree and earn bachelor's degrees at much higher rates than students nationally.
- Transfer students earned **40%** of all bachelor's degrees at Washington public colleges and universities, including:
 - **47%** of business graduates
 - **46%** of health field graduates
 - **35%** of STEM major graduates

Median Credits to Degree by Entry Status in Washington

| | WASHINGTON | NATIONALLY |
|---|------------|------------|
| BA within 3 years post-transfer ♦ Transferred with AA | 71% | N/A |
| BA within 3 years post-transfer ♦ No AA | 62% | N/A |
| BA within 6 years post-transfer ♦ Transferred with AA | 82% | 41% |

Low College Participation

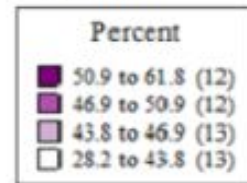

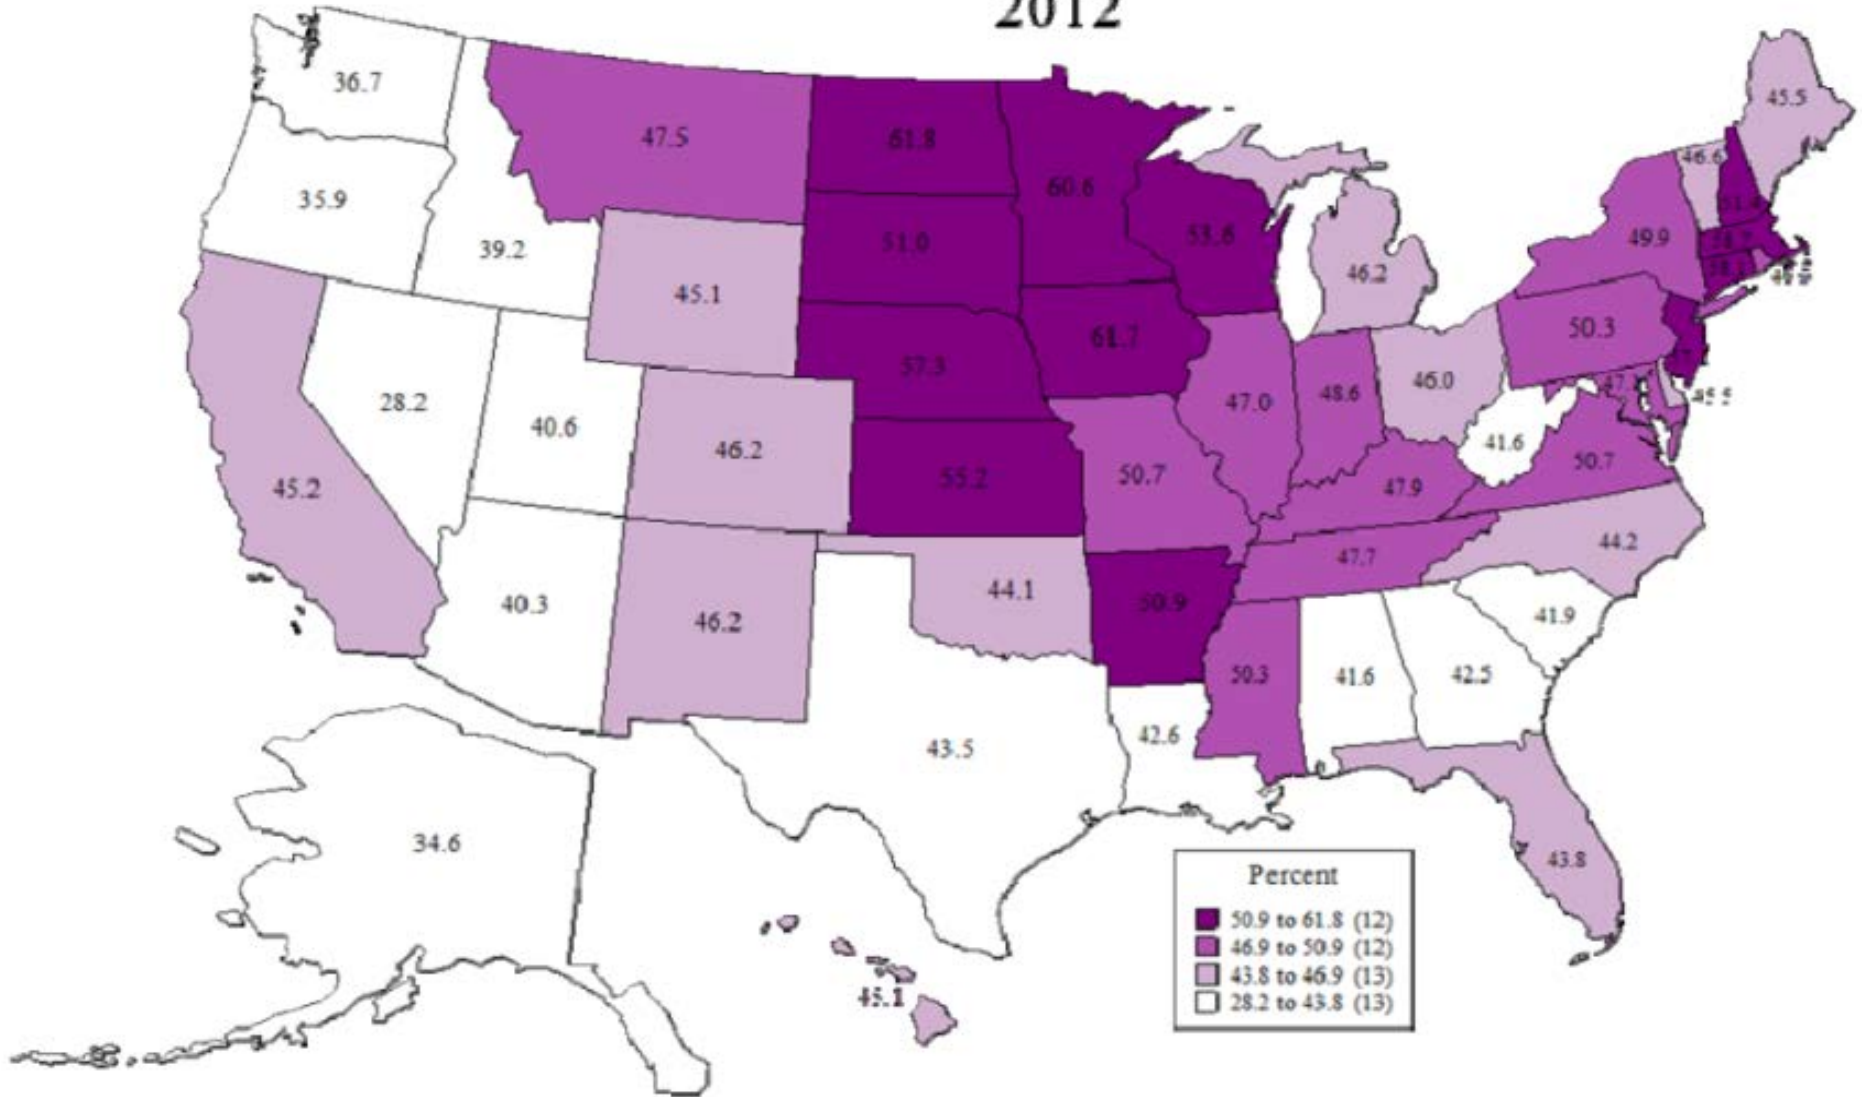

- In 2012 Washington ranked **47th** in the nation for participation in college by age 19 (**36.7%**). National average is **46.8%**
- 30 years ago WA ranked **8th** nationally (30.9%).
- Top ranked states: ND (61.8%), Iowa (61.7%), MN (60.6%), MA (58.7%).

74.5% high school graduation rate

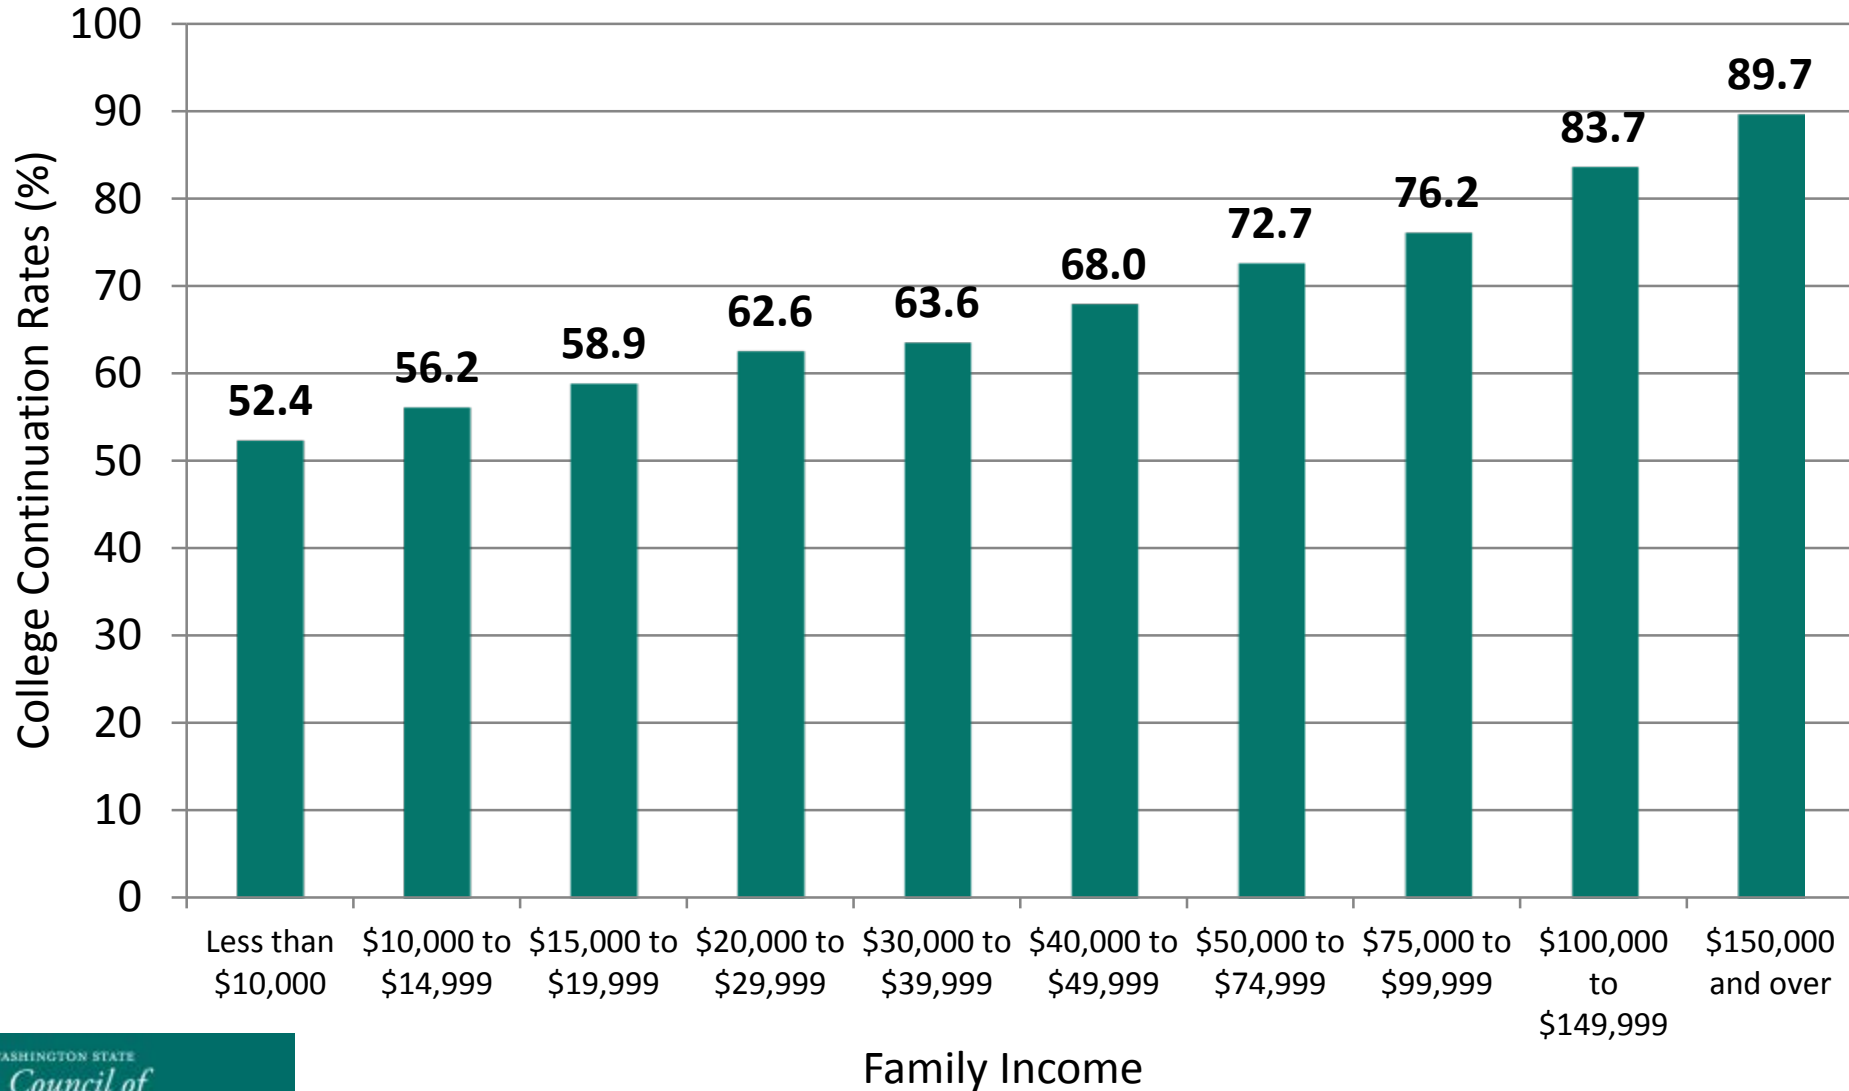

X 49.2% college continuation rate

= **36.7% college participation by age 19**
