

Basic Education Compliance for '19-20

Washington State Board of Education

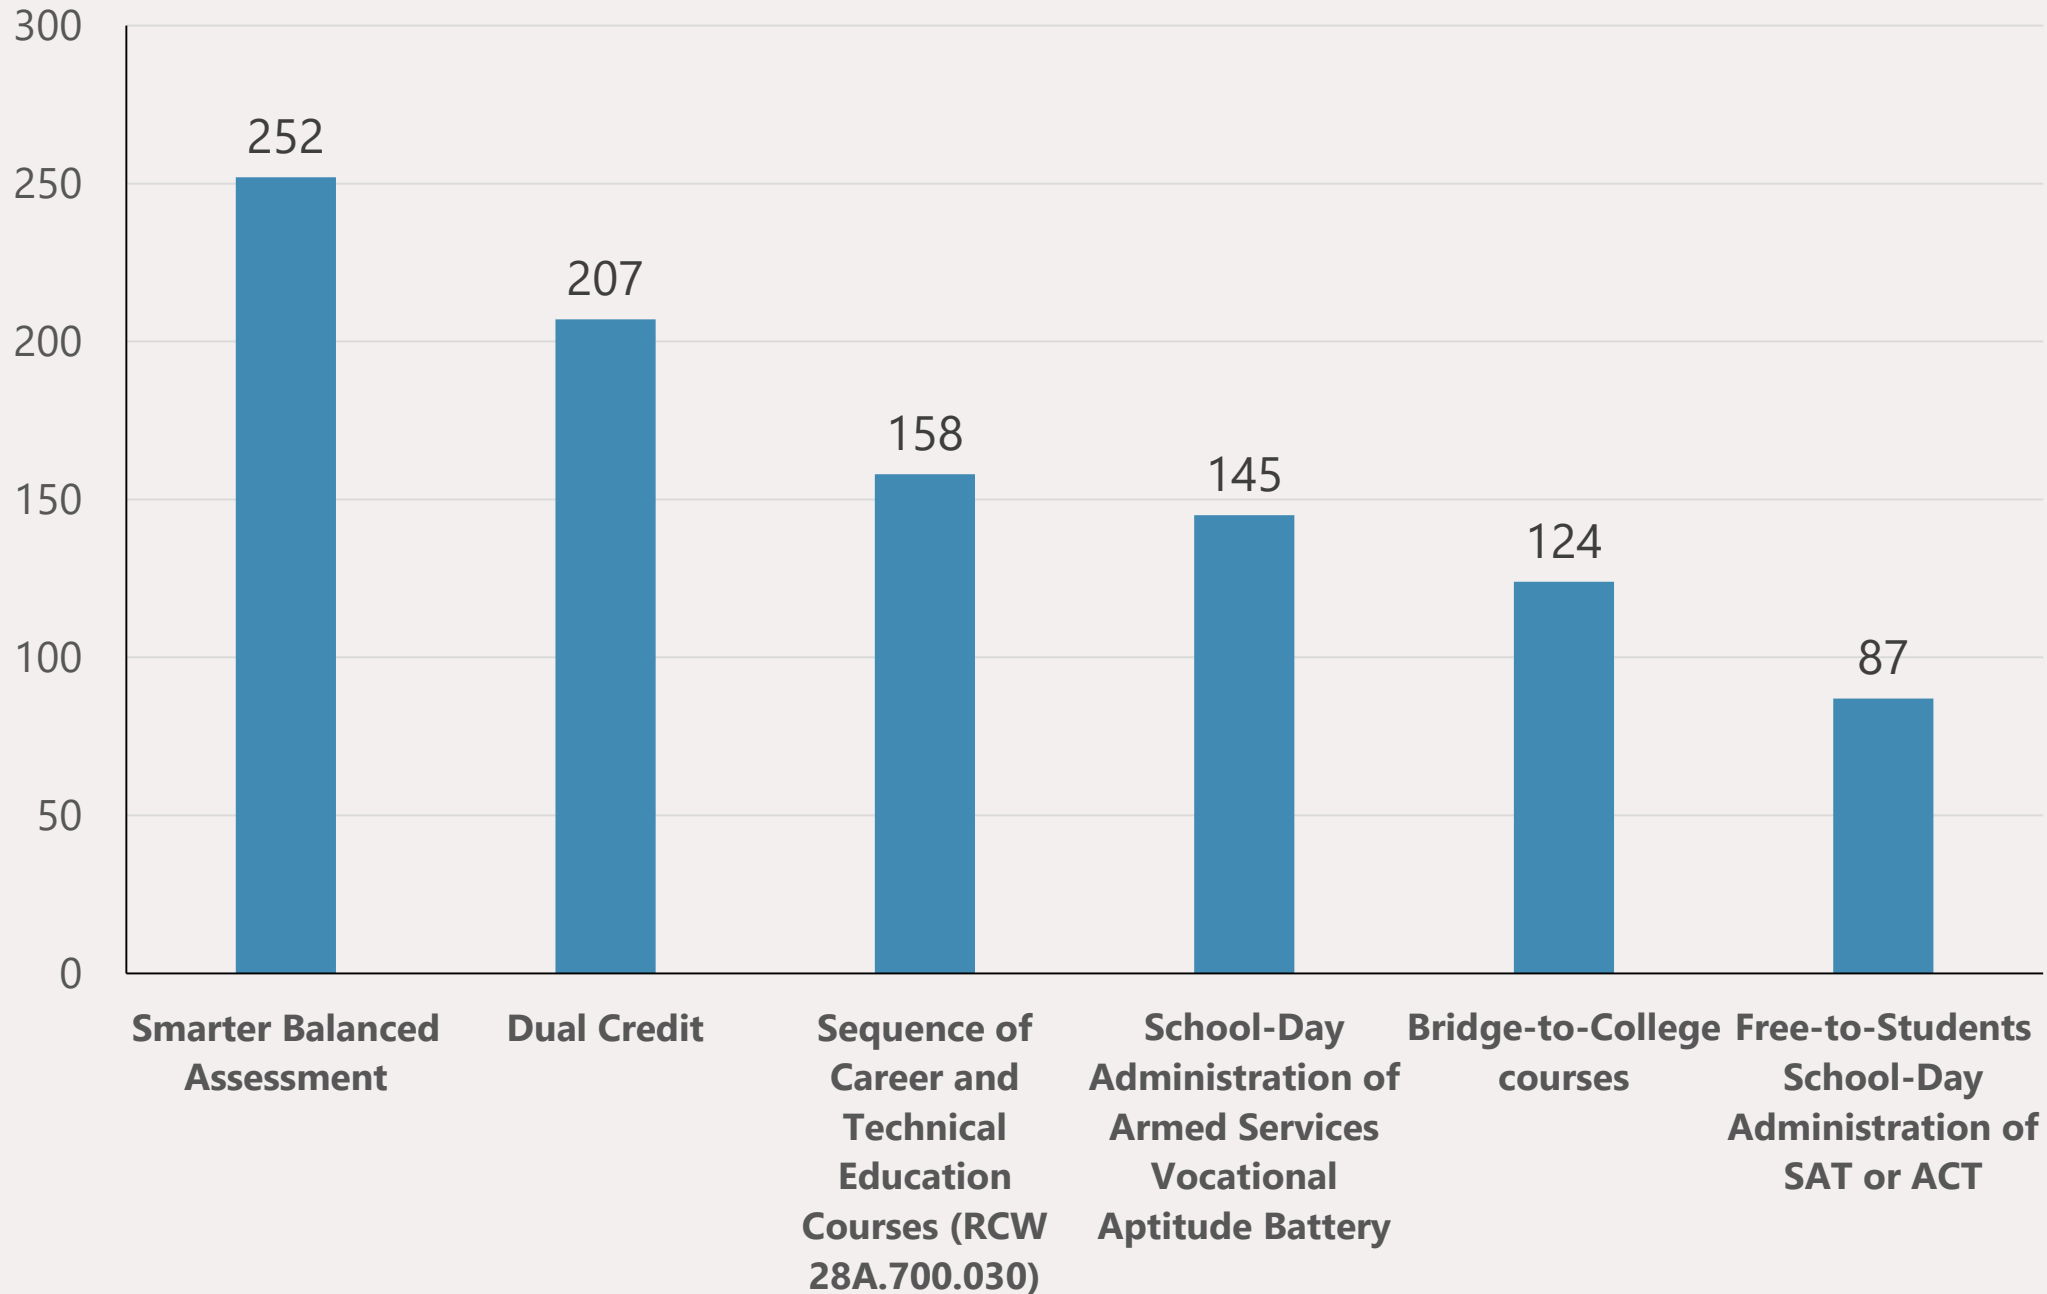

November, 2019

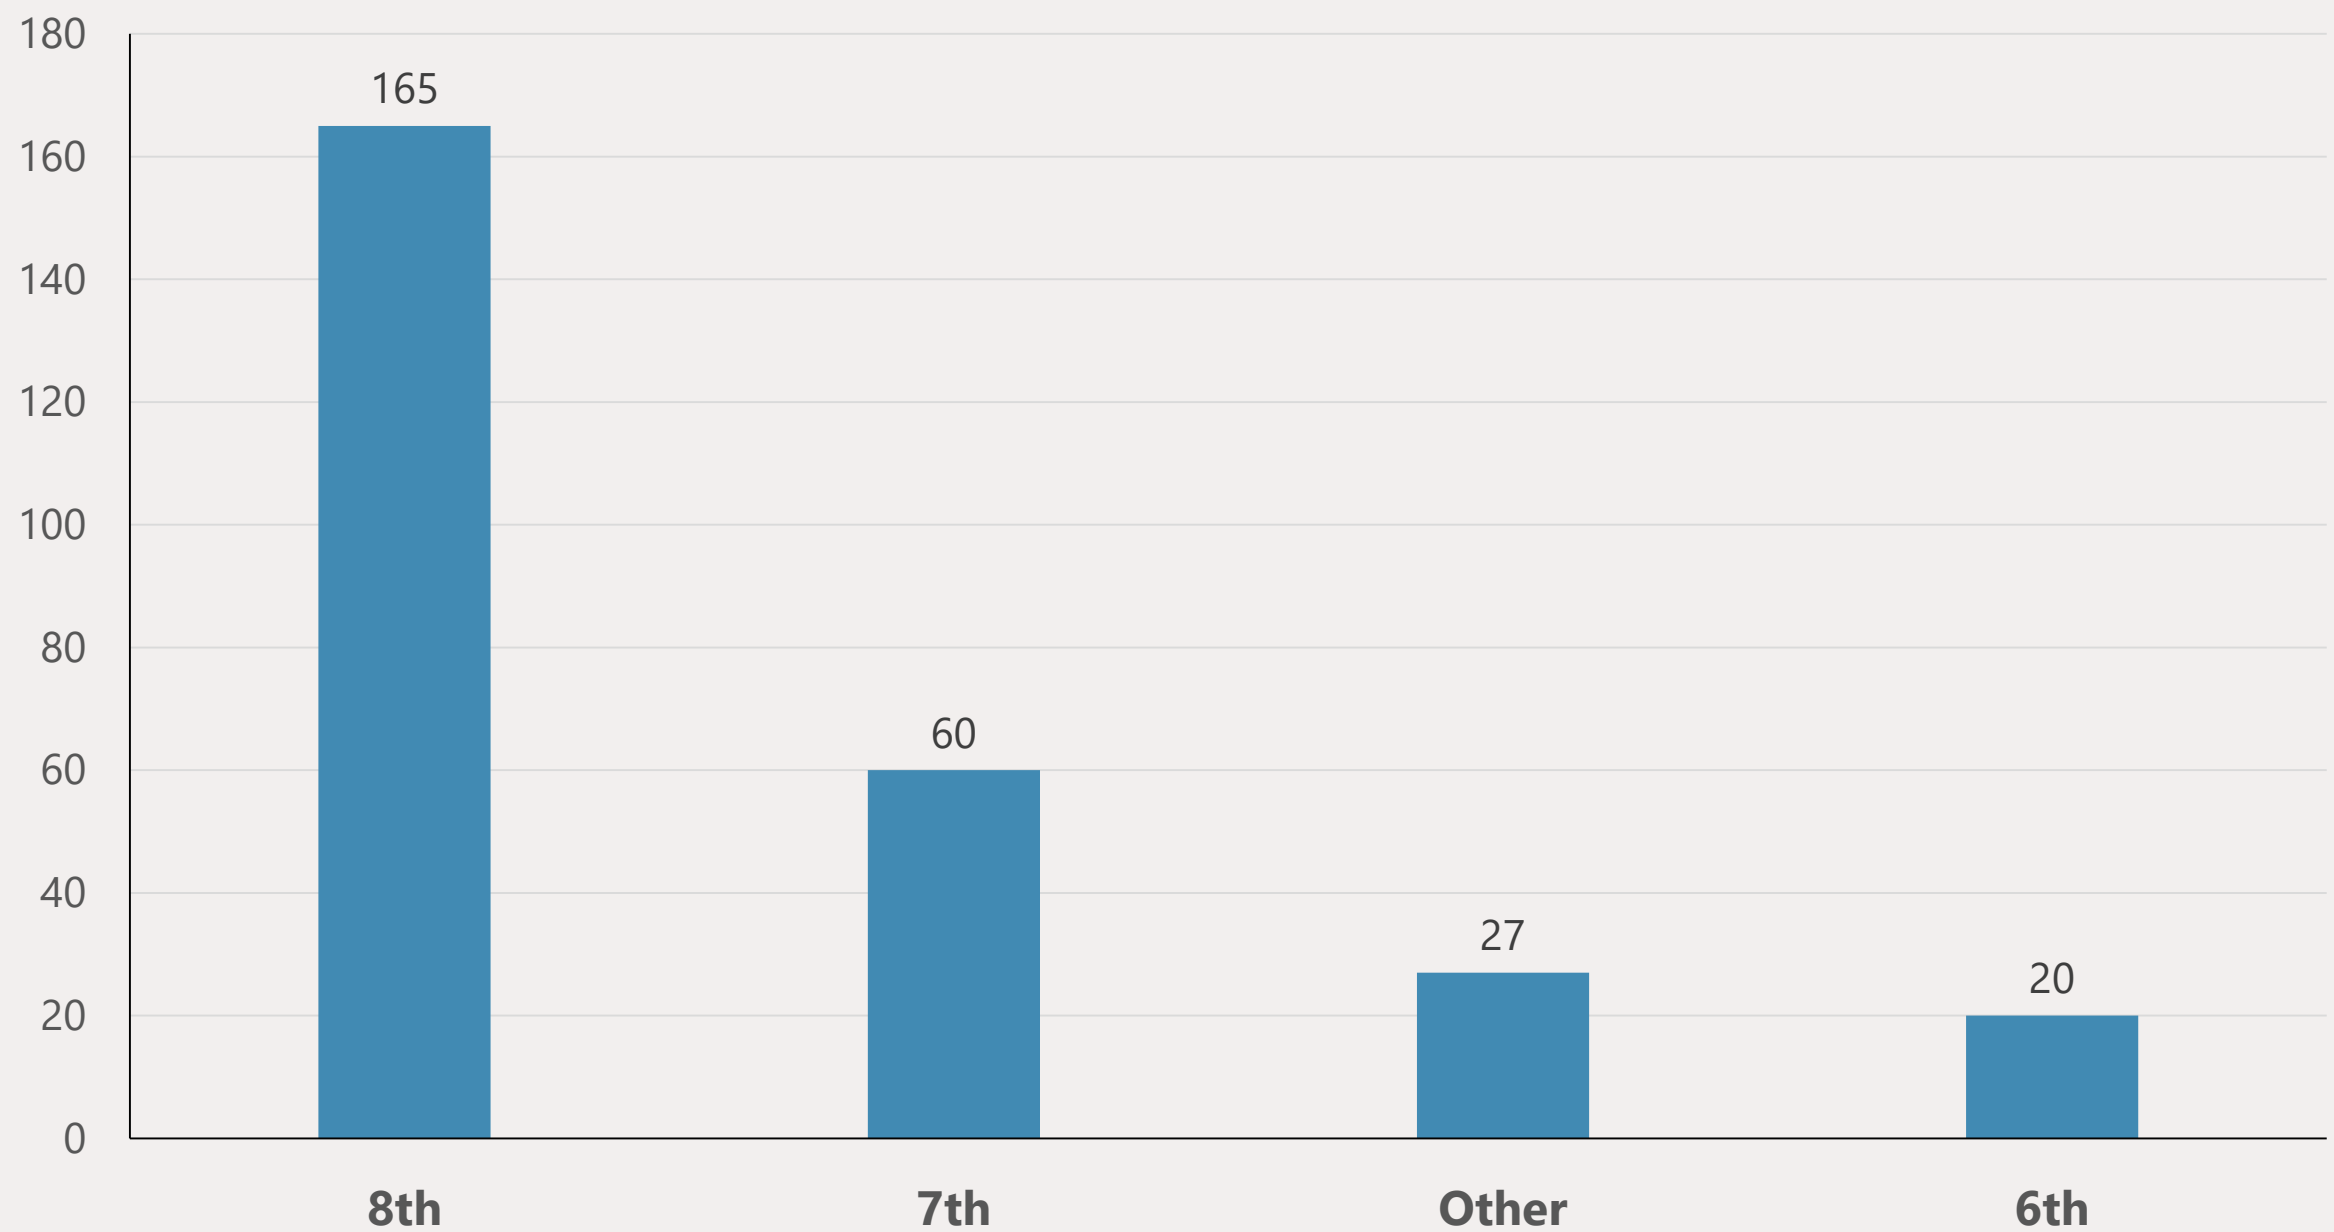

Details on Basic Education Compliance

- Reported annually from July 31 through late Fall.
- These are preliminary data based on 274 districts, compliance process is still ongoing.
- Informs:
 - implementation of graduation pathways;
 - high school and beyond planning;
 - mastery/competency-based crediting; and,
 - implementation of 24-credit graduation requirements.

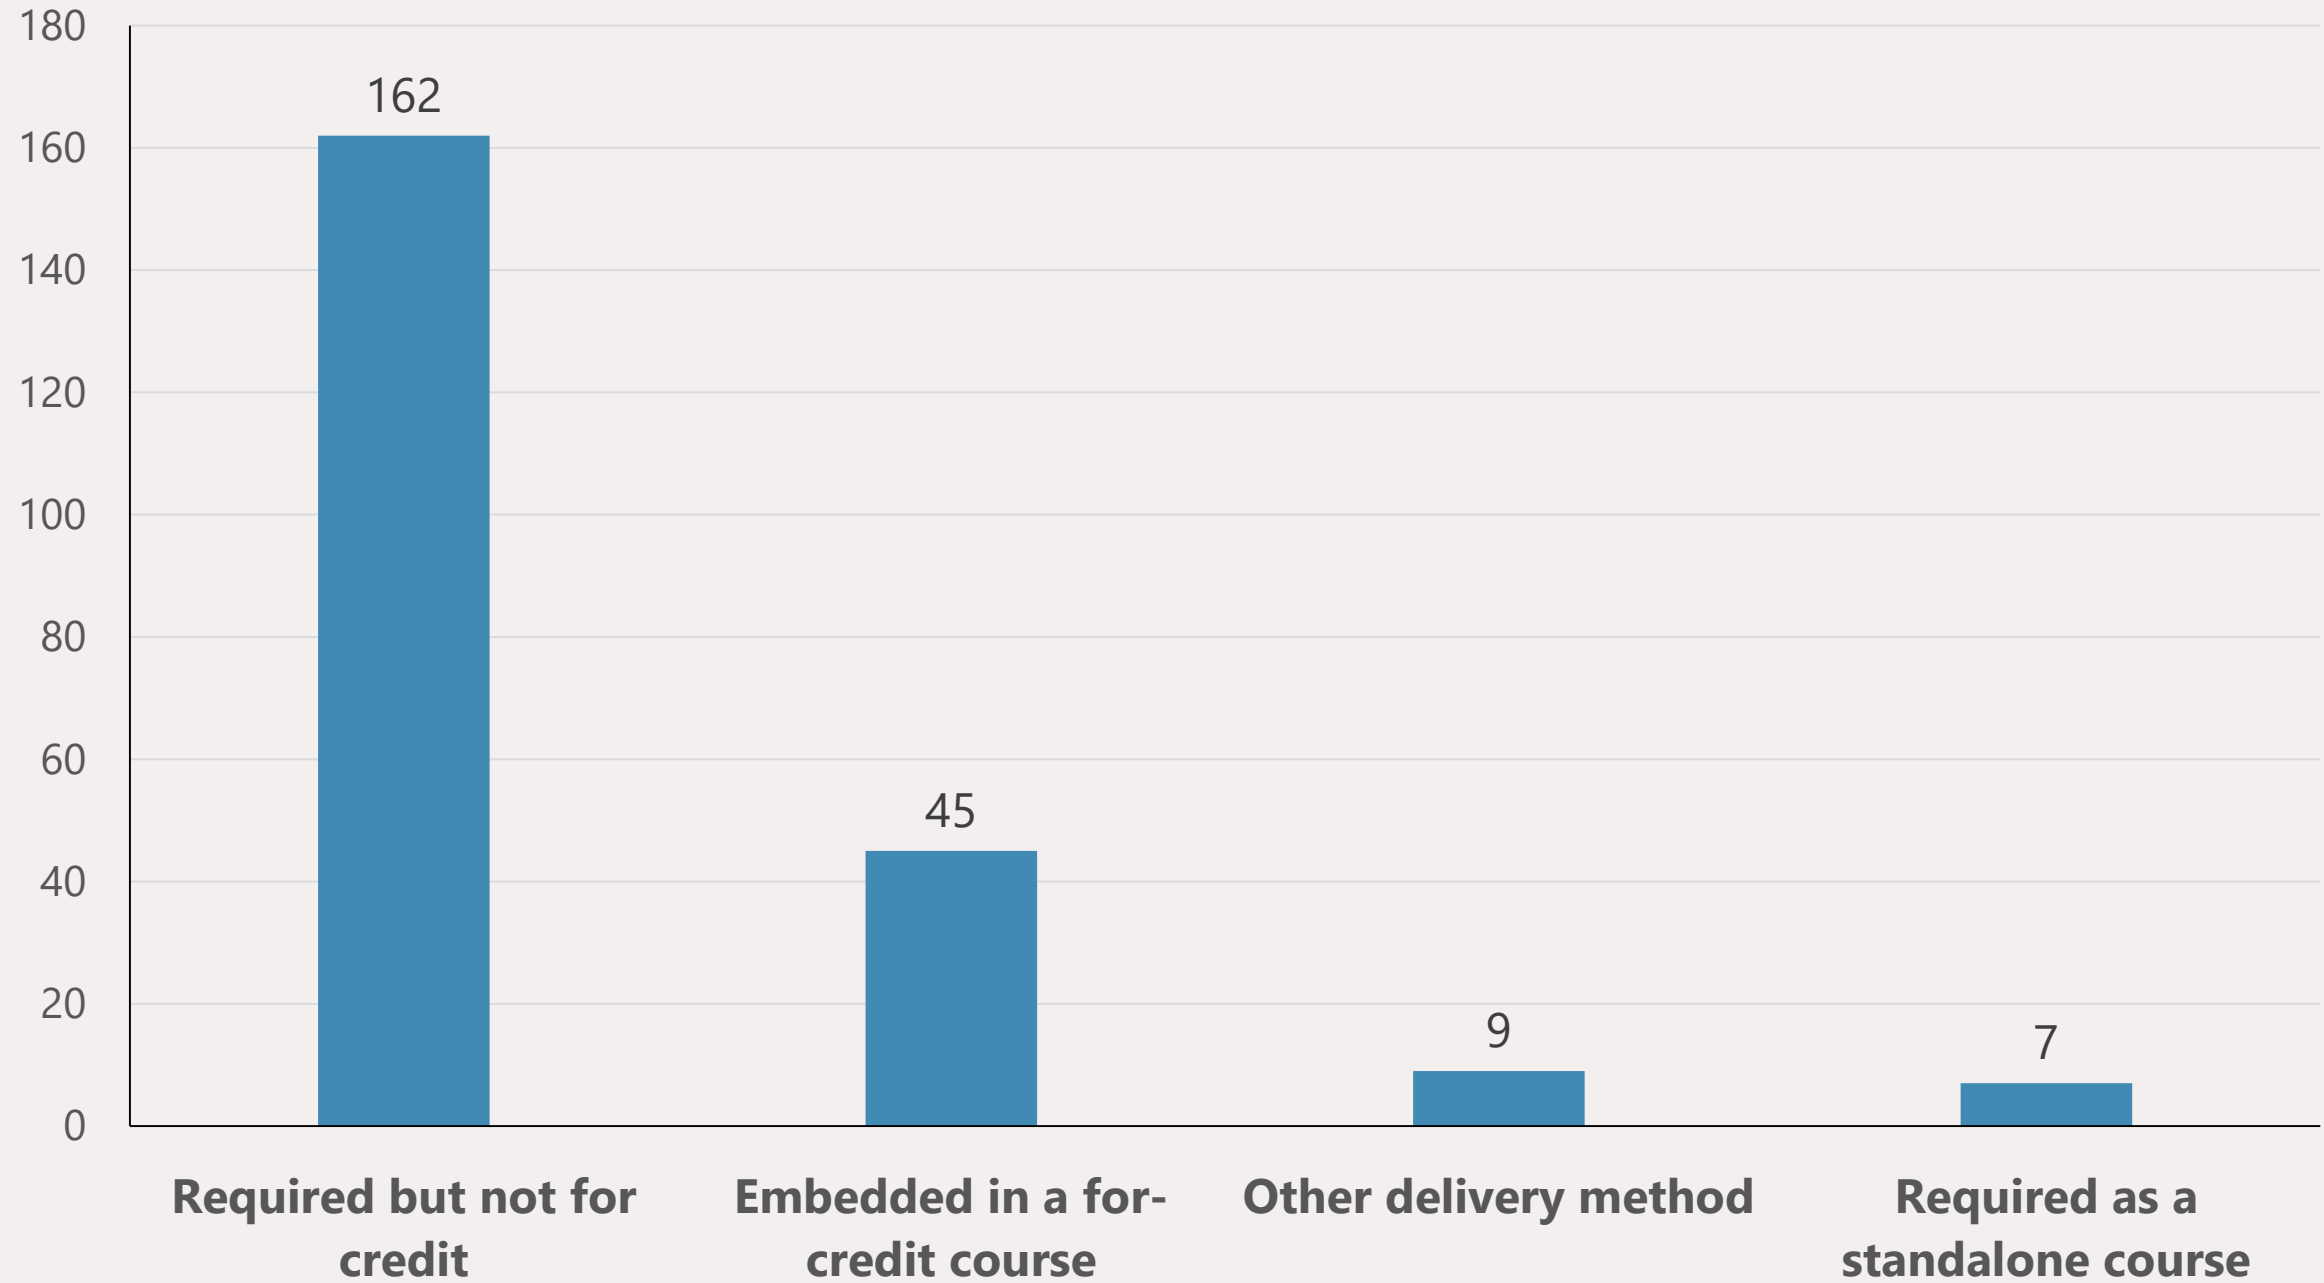

How many high school districts offer each graduation pathway?

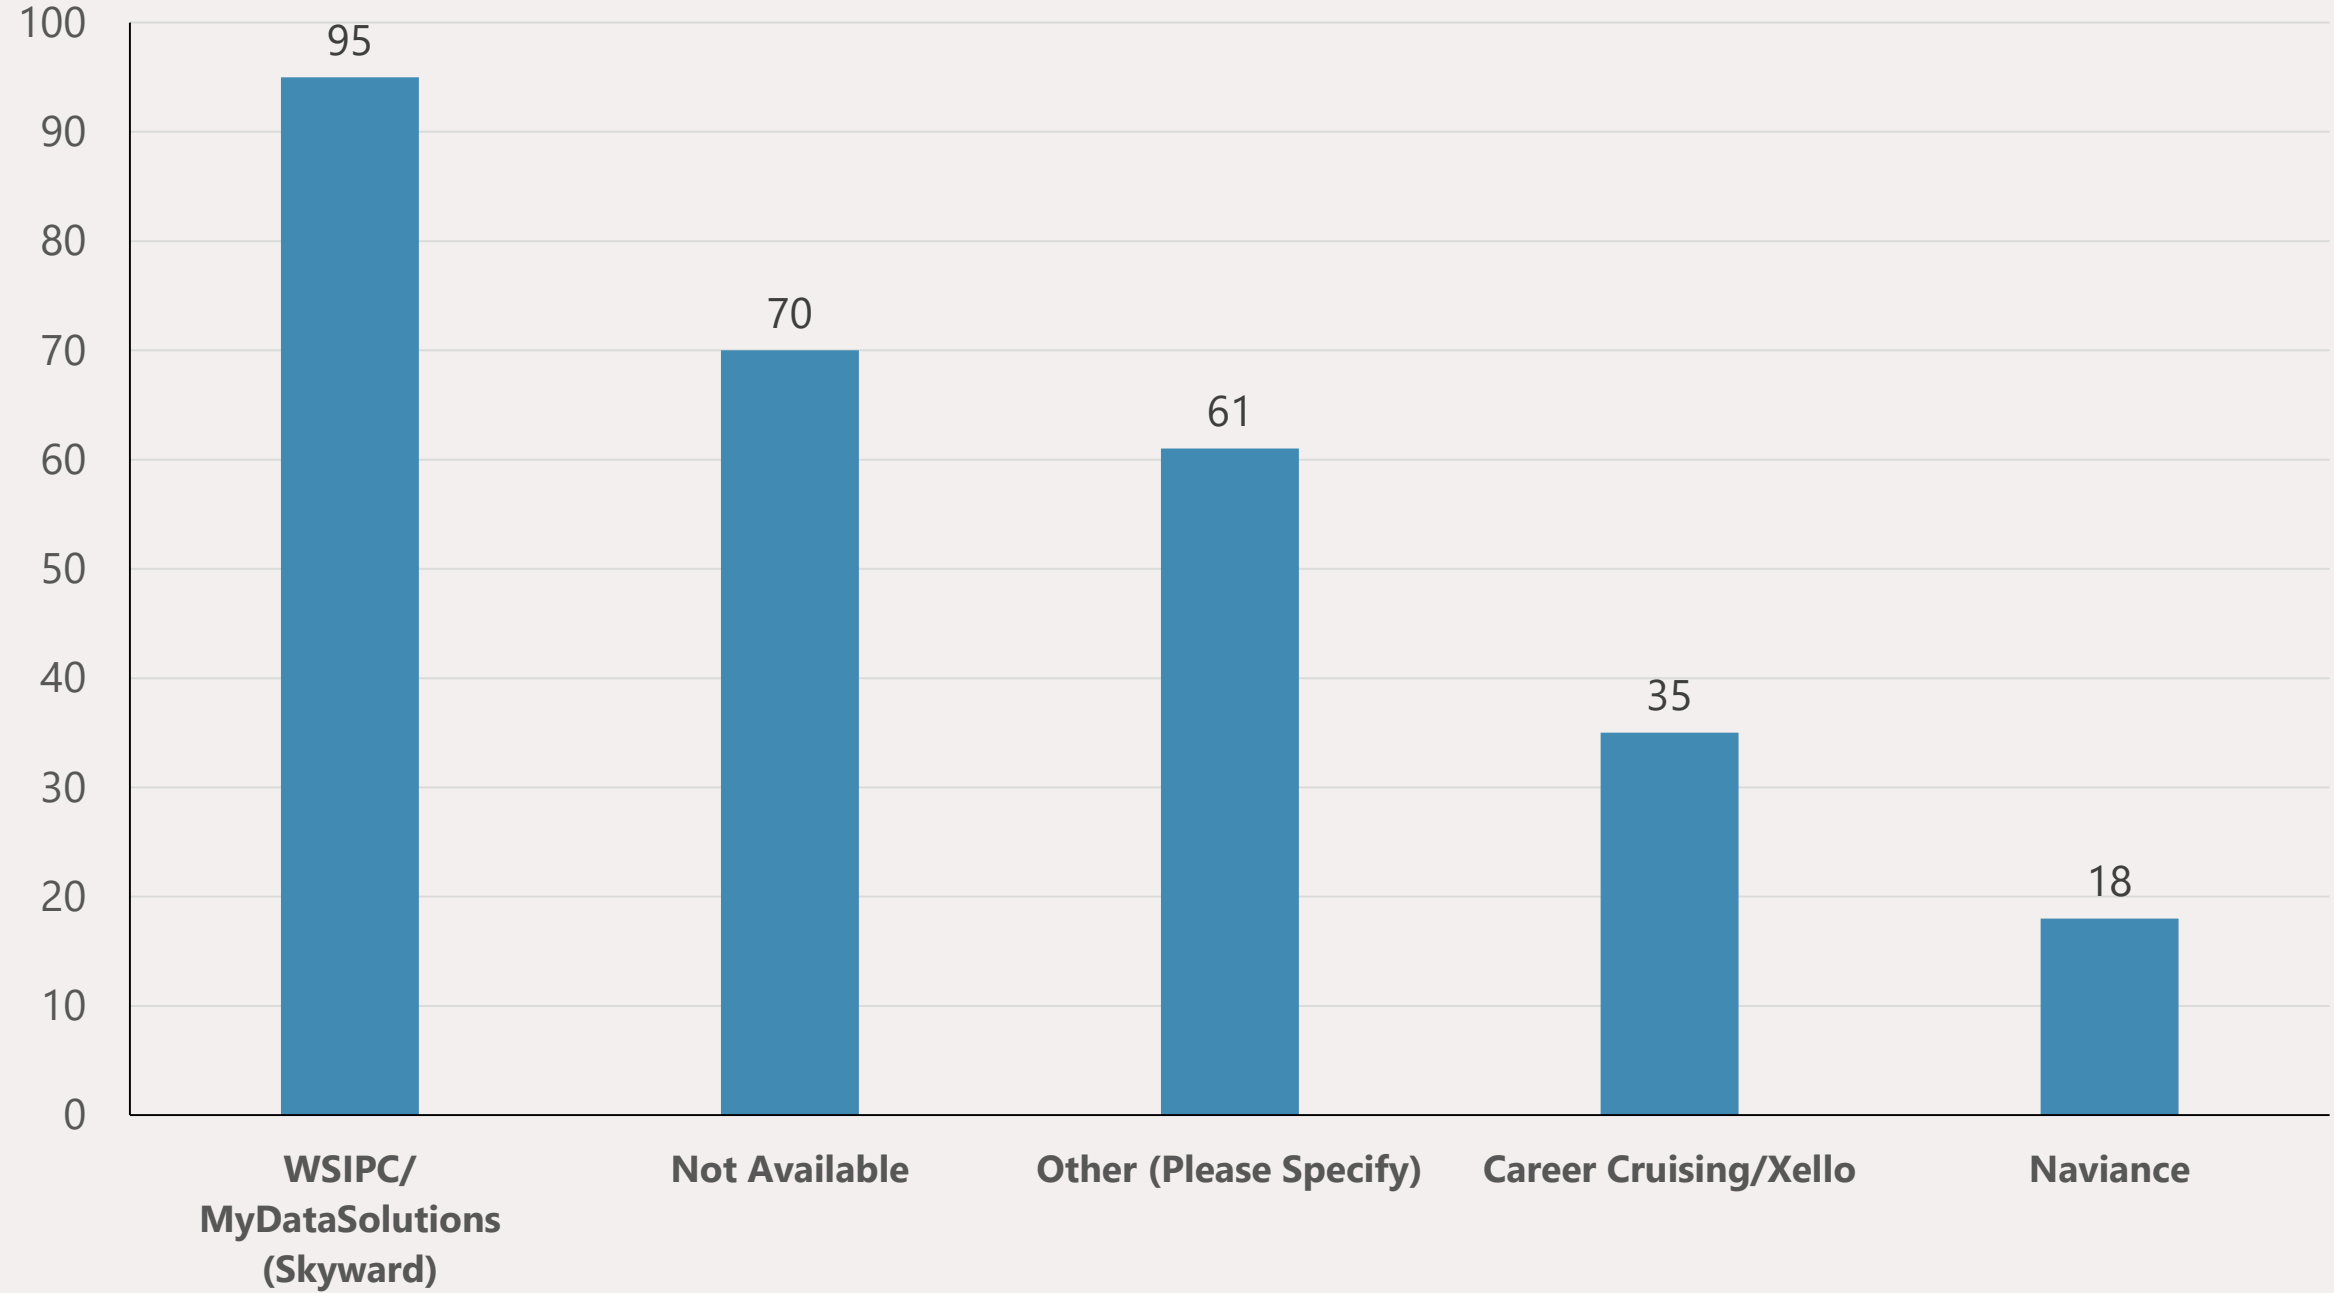

What grade level does the district start the High School and Beyond Plan in?

How do districts deliver the High School and Beyond Plan?

Is the High School and Beyond Plan available electronically?

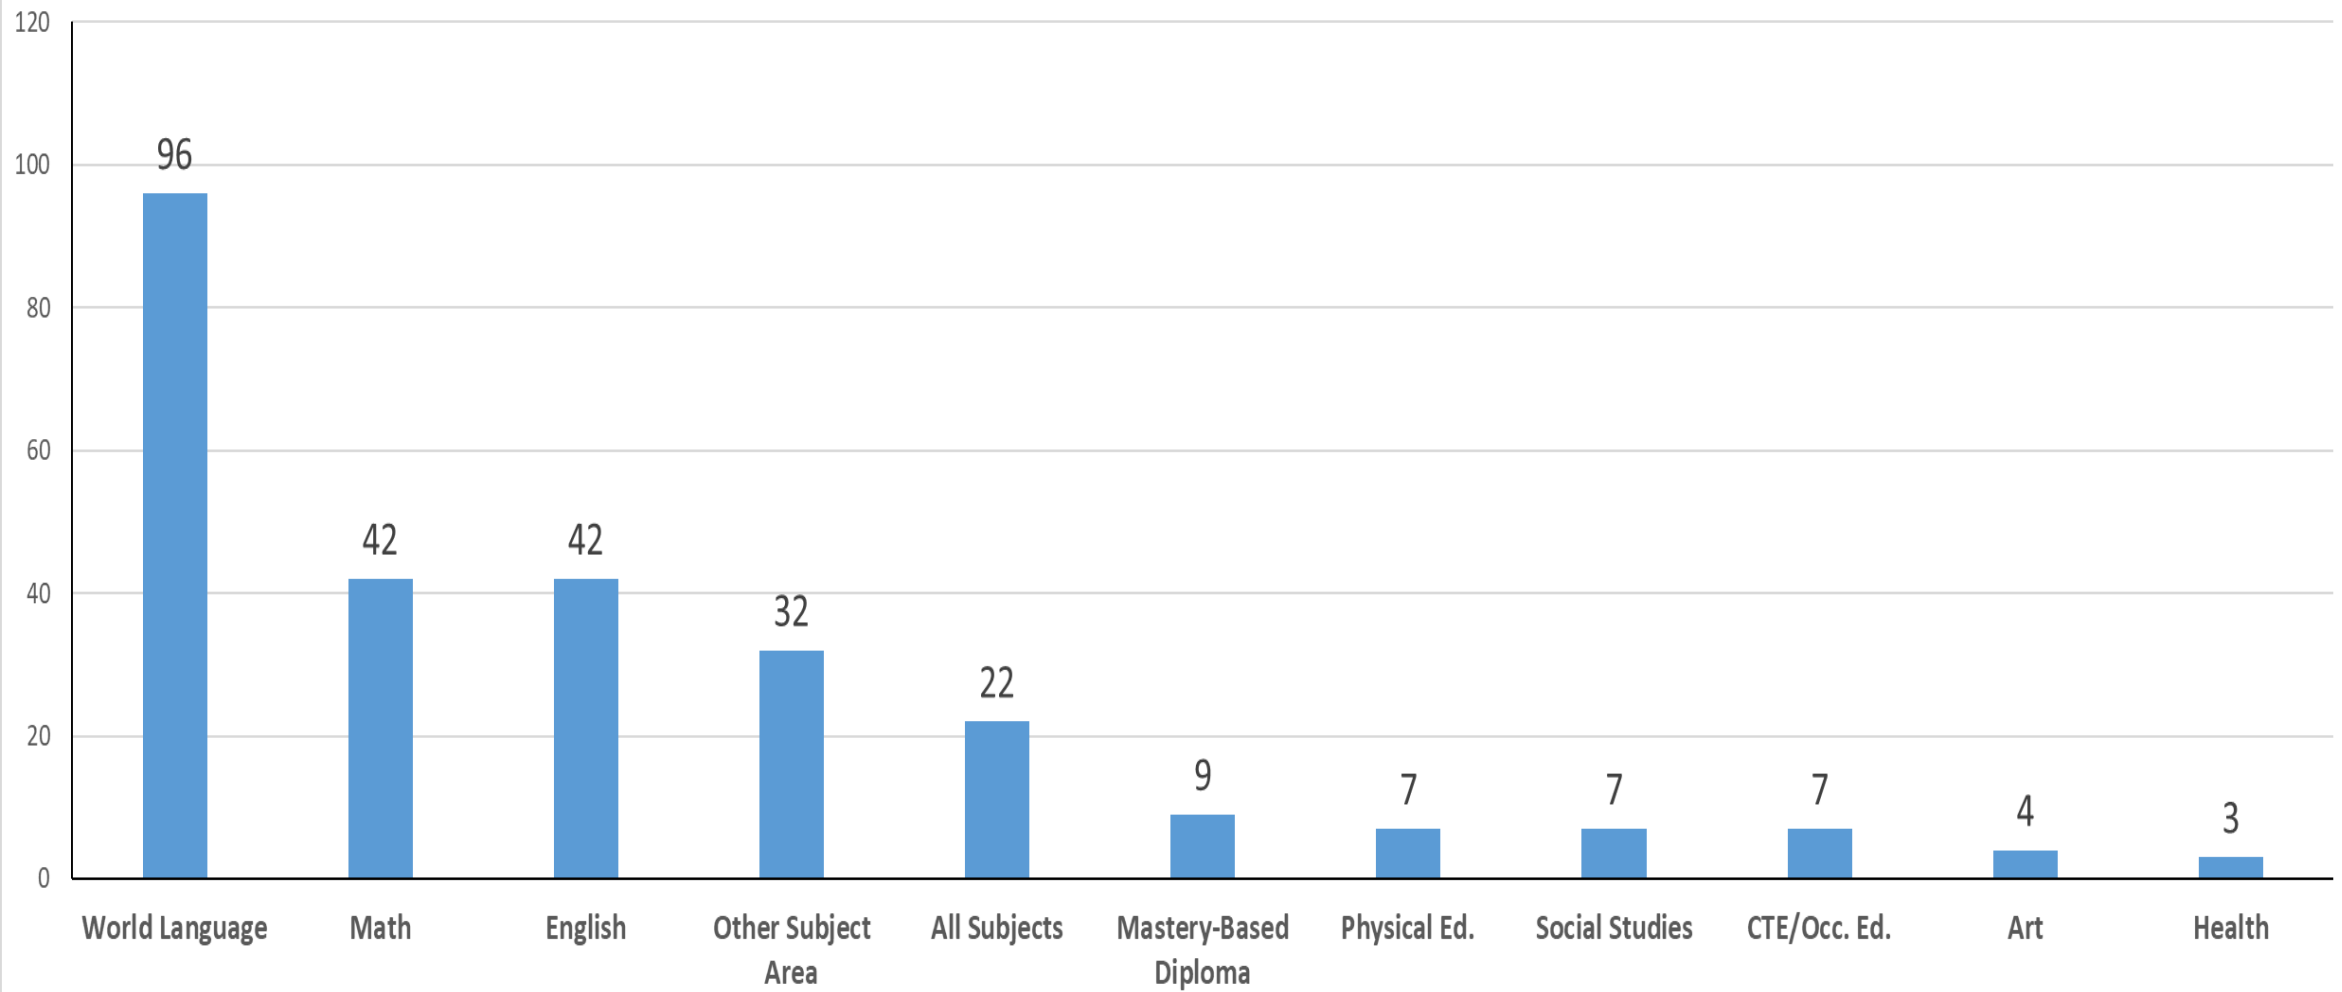

How many districts allow mastery/competency-based crediting?

- Over half of districts allow competency-based crediting
- 127+ districts offer mastery-competency-based crediting
- Basic Ed. Compliance contains a link to each district's written policy

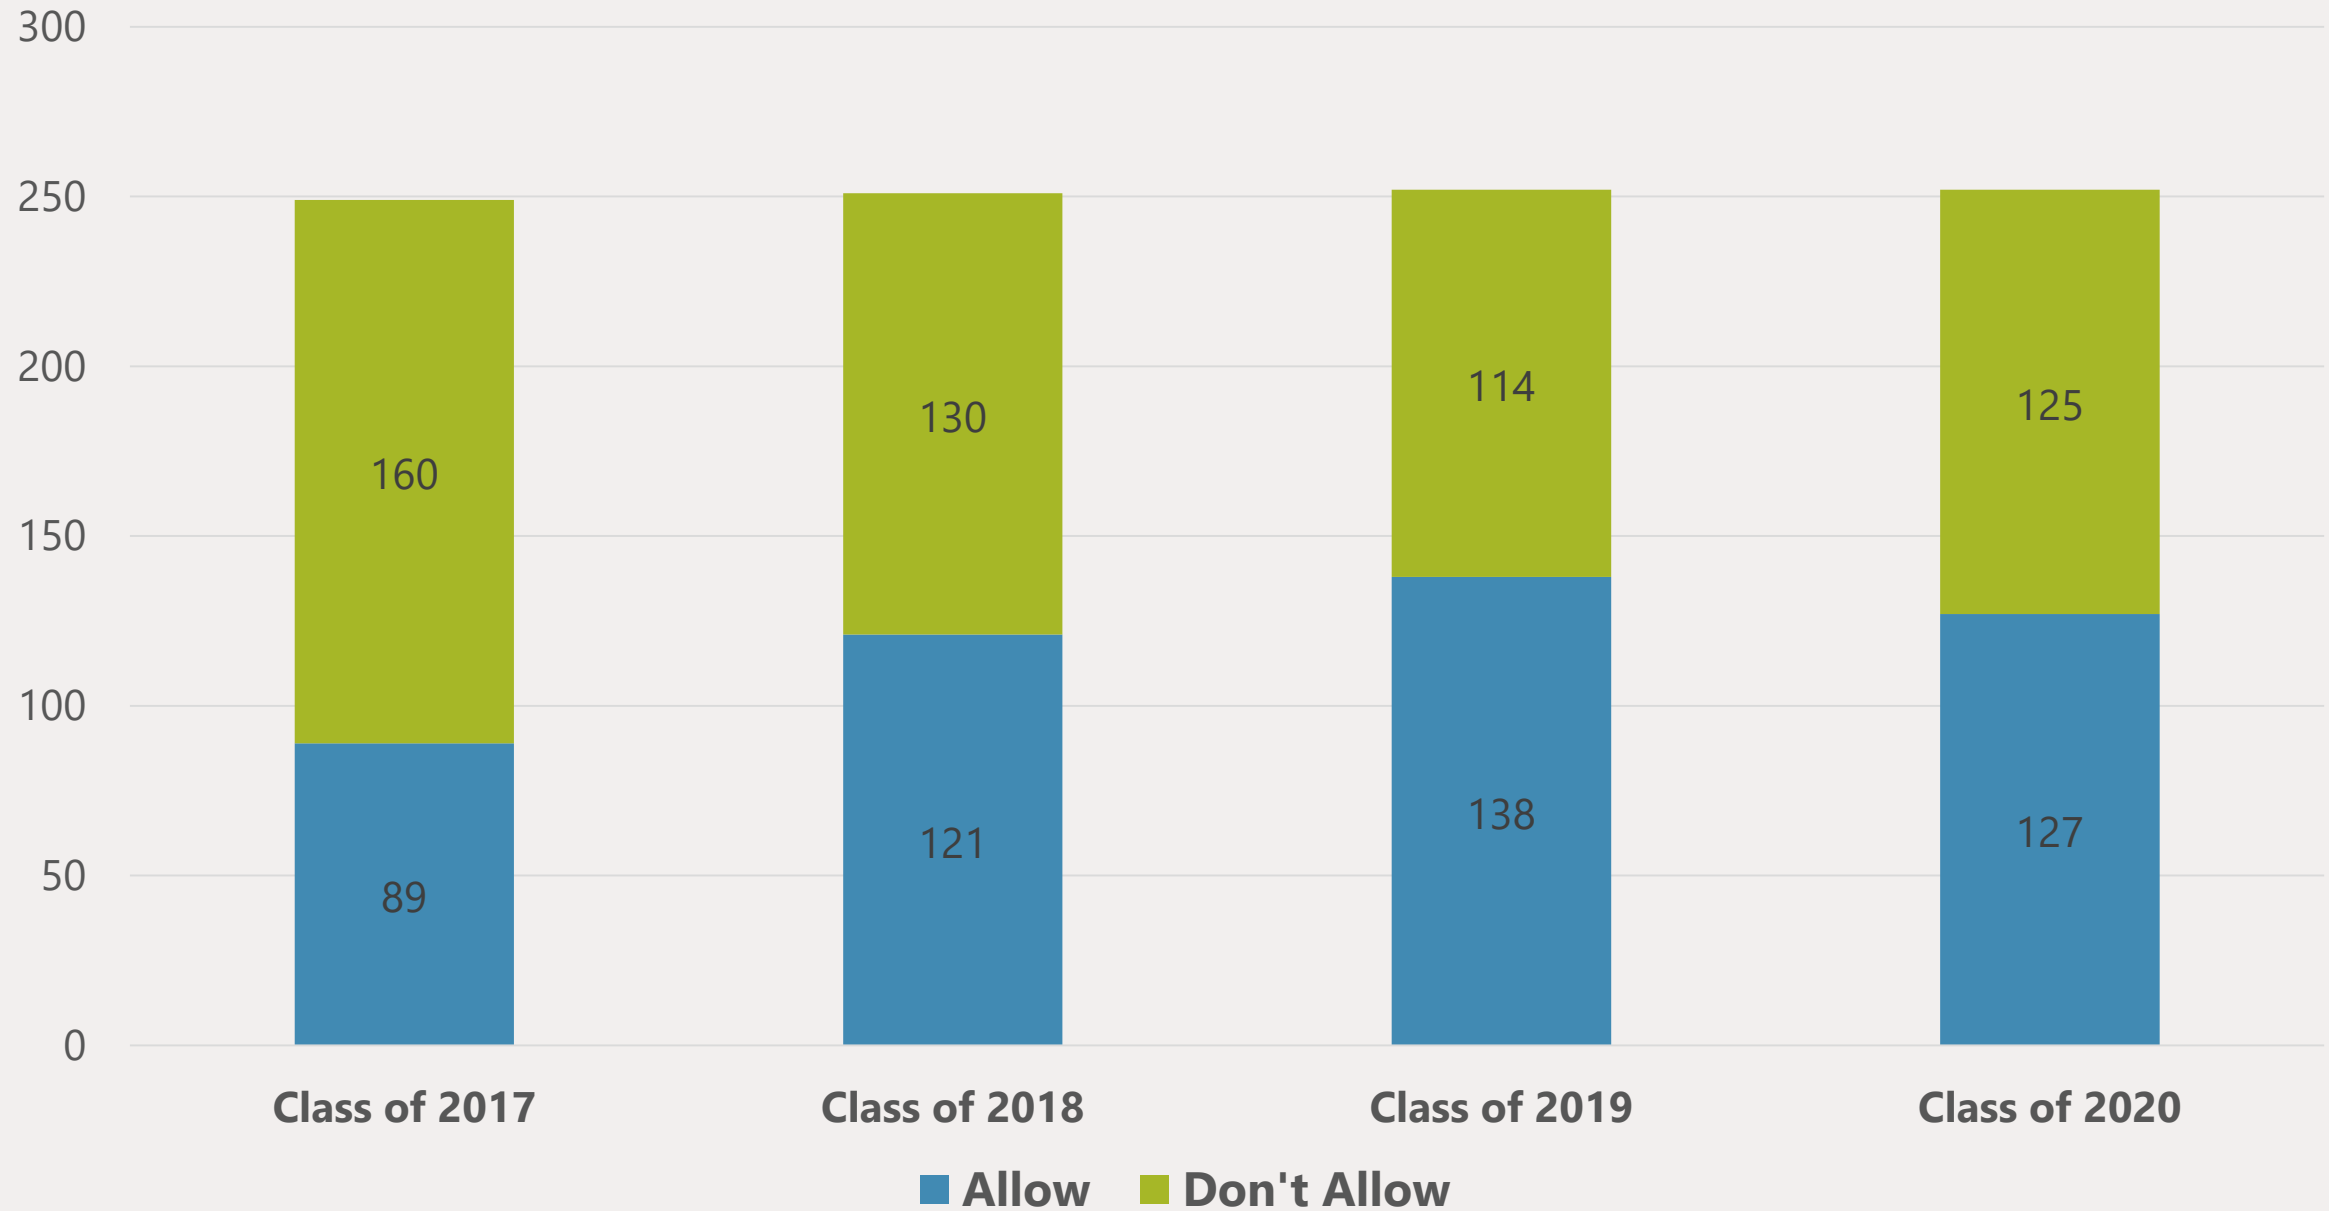

How many districts allow mastery/competency-based crediting in each subject area?

What is the trend over time in districts allowing mastery/competency-based crediting?
