

JOINT WORK SESSION - RECOGNITION SYSTEM
MAY 21, 2019
RENTON TECHNICAL COLLEGE
EOGOAC, SBE & OSPI

Goal: Review research on recognition systems and measures, identifying options for the redesigned recognition system

Entry Task: Define your “why” for redesigning our school recognition system, responding to prompts on the card on your table

- 9:00-9:30 Introductions, review of norm agreements, process and protocols
Dr. Randy Spaulding, Dr. Michaela Miller, Ms. Maria Flores
- 9:30-10:00 Small group activity – Share your “why” and summarize themes for large group report out
Ms. Maria Flores
- 10:00-10:30 Research review – Promising national and international recognition systems
Dr. Pedro Noguera
- 10:30-10:50 Small group discussion – Notice and Wondering – Describe what you notice or additional wonderings you have based on research. How does this apply to your context and in Washington?
- 10:50-11:20 Research review – Qualitative measures – What do they tell us about a school and how do we measure it
Dr. Pedro Noguera
- 11:20-11:40 Small group discussion – Notice and Wondering – Describe what you notice or additional wonderings you have based on research. How does this apply to your context and in Washington?
- 12:00-1:00 Working Lunch – Facilitated discussion: Research review – School Quality and Student Success (SQSS), disproportionate discipline, equitable access to educators, student climate and engagement
Dr. Pedro Noguera
- 1:00-2:00 Facilitated whole group discussion
- 2:00-3:00 What does effective stakeholder engagement look like to you? Developing a stakeholder engagement plan
Ms. Maria Flores
- 3:00-3:30 Develop workplan and future research needs
- 3:30-4:00 Closing activity
