- Career Connect Washington Presentation

Synopsis and Policy Considerations:

Governor Jay Inslee created Career Connect Washington to bring together business, labor, government, and education leaders with one goal: to improve the ability of young people to connect with high-demand, high-wage careers in Washington. The State Board of Education has been actively involved in this work as a member of the state leadership team. We have been particularly concerned with ensuring that the Career Connect Washington goals are consistent with the requirements for the high school diploma and helping to promote career awareness, preparation, and exploration.

During the July meeting, Maud Daudon will provide an update on Career Connect Washington and engage in a discussion with Board members about how to advance the work.
