

CTE

“It is something I have wanted to do my whole life”

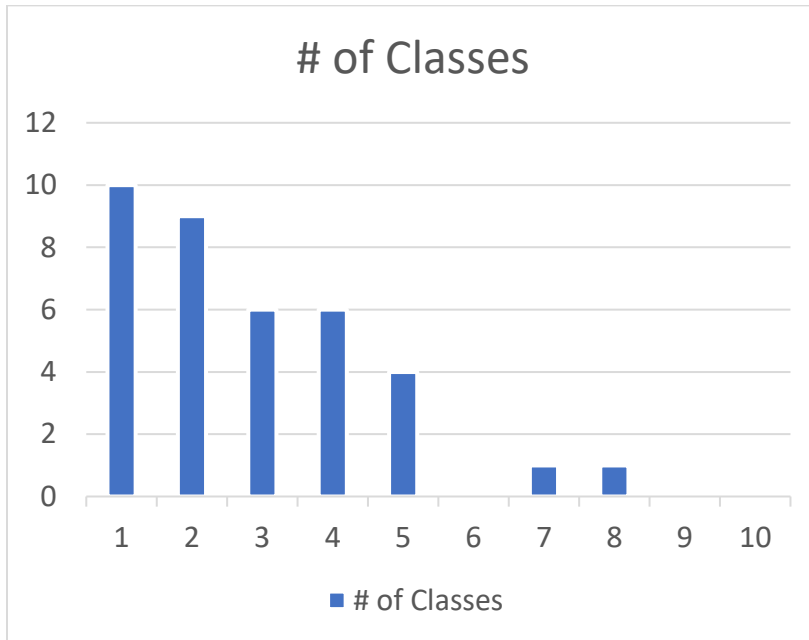

AP/IB

“...beneficial to me to take classes where I can learn essential skills”

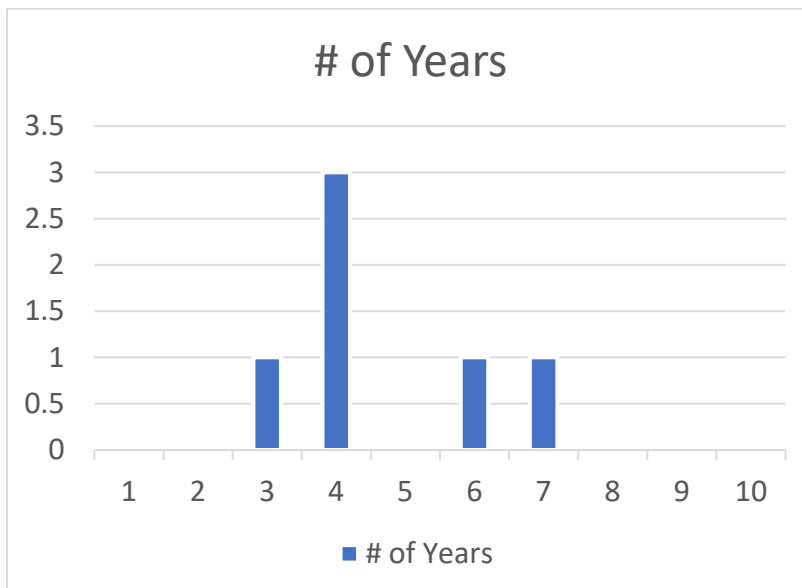

LEADERSHIP

“...corporations are more inclined to hire you if you are highly advanced and have amazing character and leadership qualities”

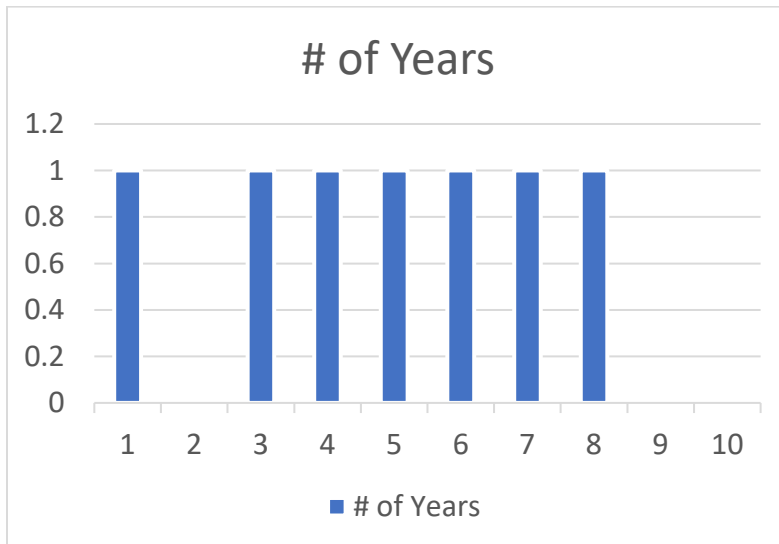

YEARBOOK/JOURNALISM

“... [pathway is] meaningful cause it will help spread credible news to the world and help the world stay more connected”

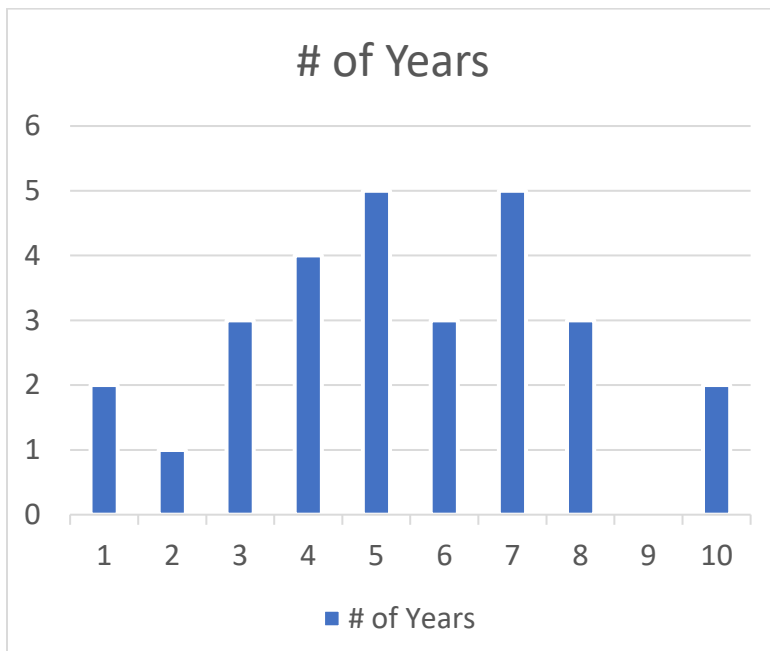

THEATRE

“Without STEM, we would lose specificity; without the Humanities and Art, we would lose universality. Both are equally necessary in our world today”

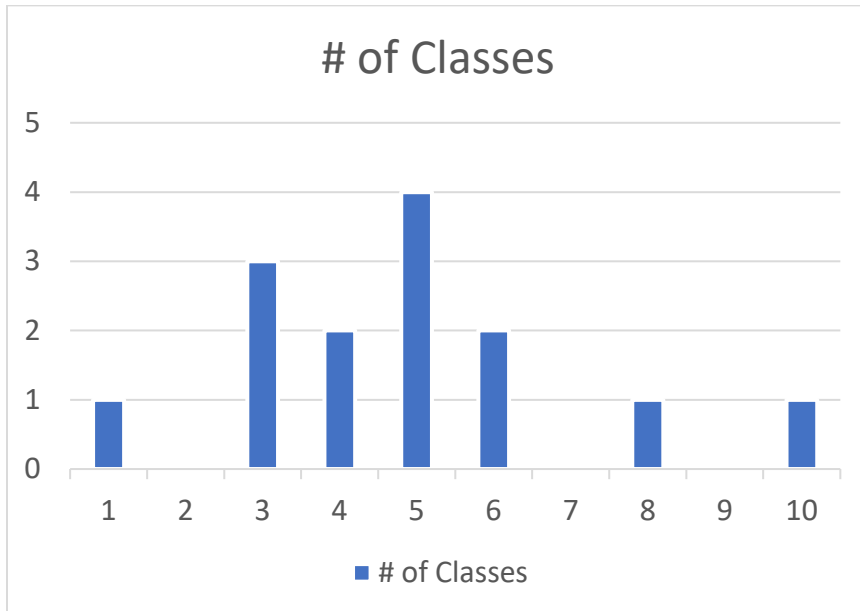

INSTRUMENTAL MUSIC

“...without the education that I can get at my high school for free it is harder for me to become better educated about my pathway”

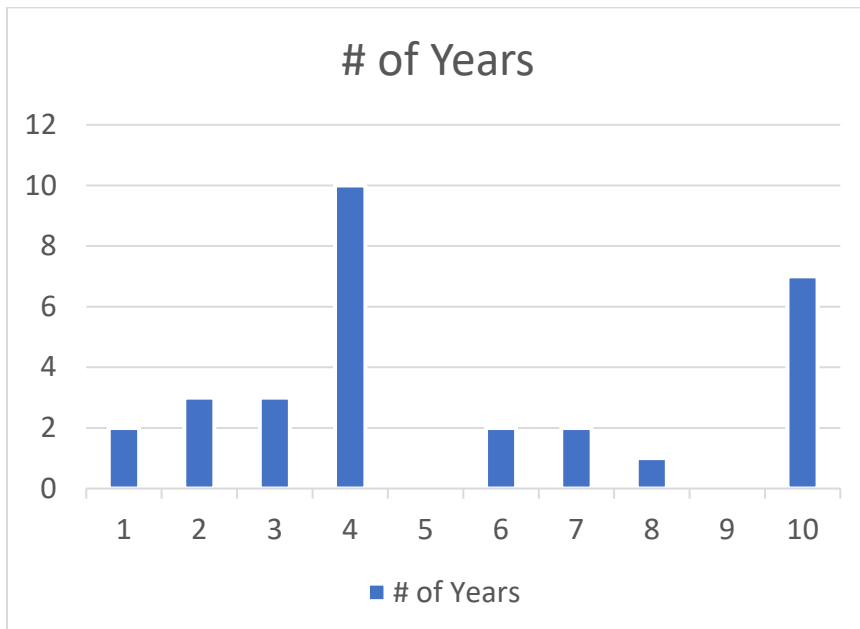

CHORAL MUSIC

“I’m tired of being told choir and singing isn’t a real career, it’s what I love and all I want is more opportunities to learn”

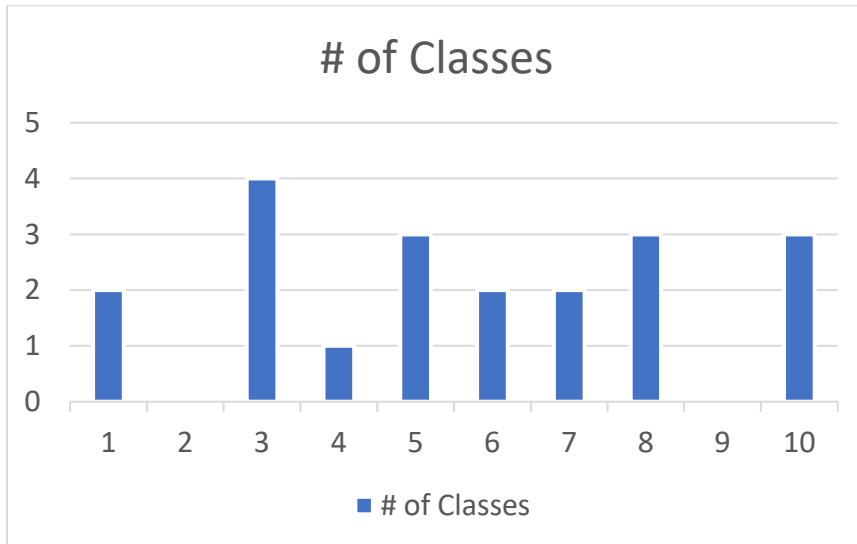

SPORTS

“The pathway I chose demonstrates the craft I have been practicing and devoting all my time to for as long as I can remember”

ART

“It was such an eye-opening experience to work with other artists who wanted to help out other hurting people as much as I did”

Graph Key/Analysis:

- X-Axis
 - # of Classes - taken and plan to take in high school
 - # of Years - overall spent training within the pathway
- Y-Axis
 - Number of students who responded

Questions/Set Up of Survey

- Pathway related to career (select one)
 - How many classes do you plan to/have taken in high school related to the pathway above?
 - How many activities/clubs have you been in or plan to be in during high school related to the pathway above?
 - In total, how many years have you been in activities, clubs, and or classes that relate to the pathway above?
- Please take the time to explain why the pathway you chose would be meaningful, demonstrate your abilities, future aspirations, etc.
