

Where public-high-school graduates go:

About 63% of WA H.S. graduates go on to college. About 33% to CTCs & about 30% to 4 year.

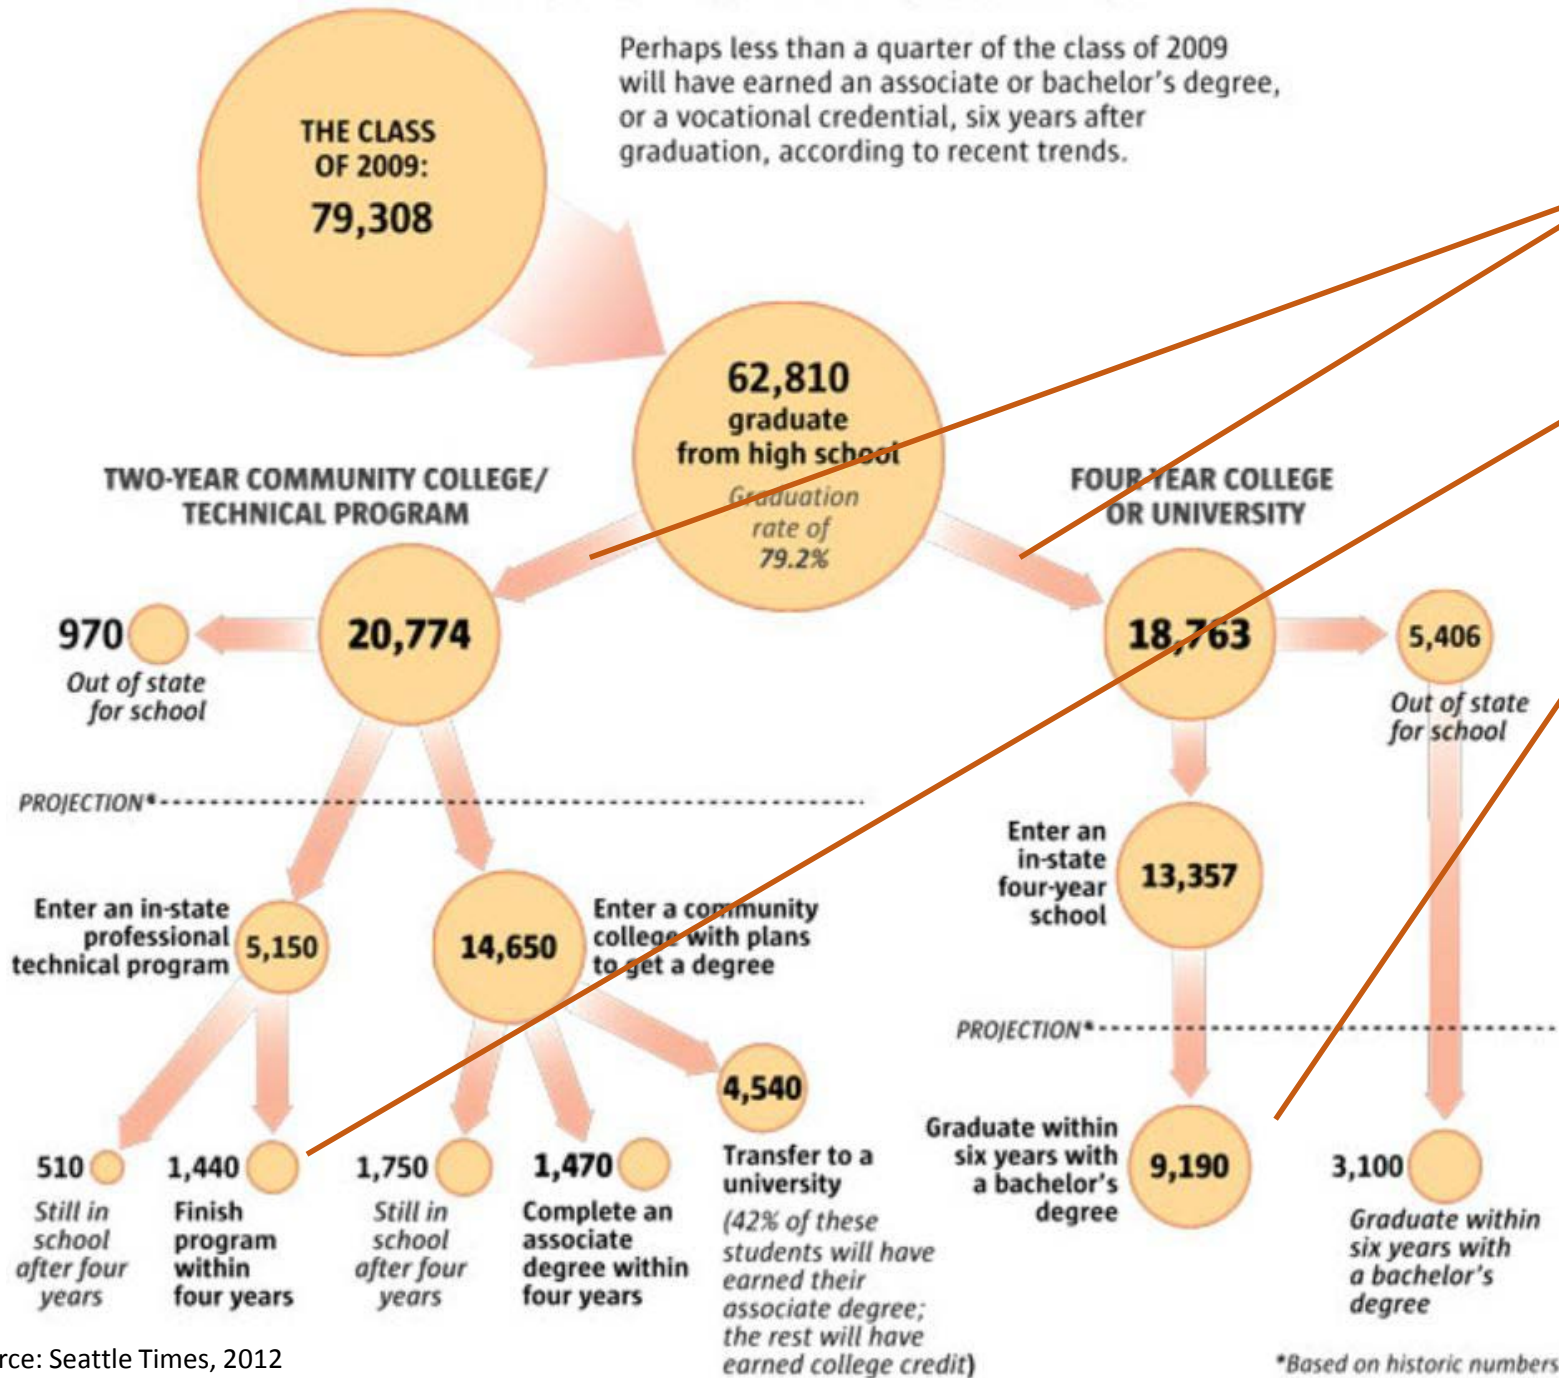

Roughly 1 out of 4 CTC students finish a degree within 4 years.

Roughly 2 out of 3 students finish a four-year degree in 6 years.

All told, about 45% of H.S. Graduates who go on to college finish a degree "on time".

If you include all students from the original cohort in H.S., the percentage drops to 22%.
