

District Graduation Requirements for the Class of 2015: From 2014 BEA Compliance Data

**PARKER TEED,
OPERATIONS AND DATA COORDINATOR**

JANUARY 7, 2015

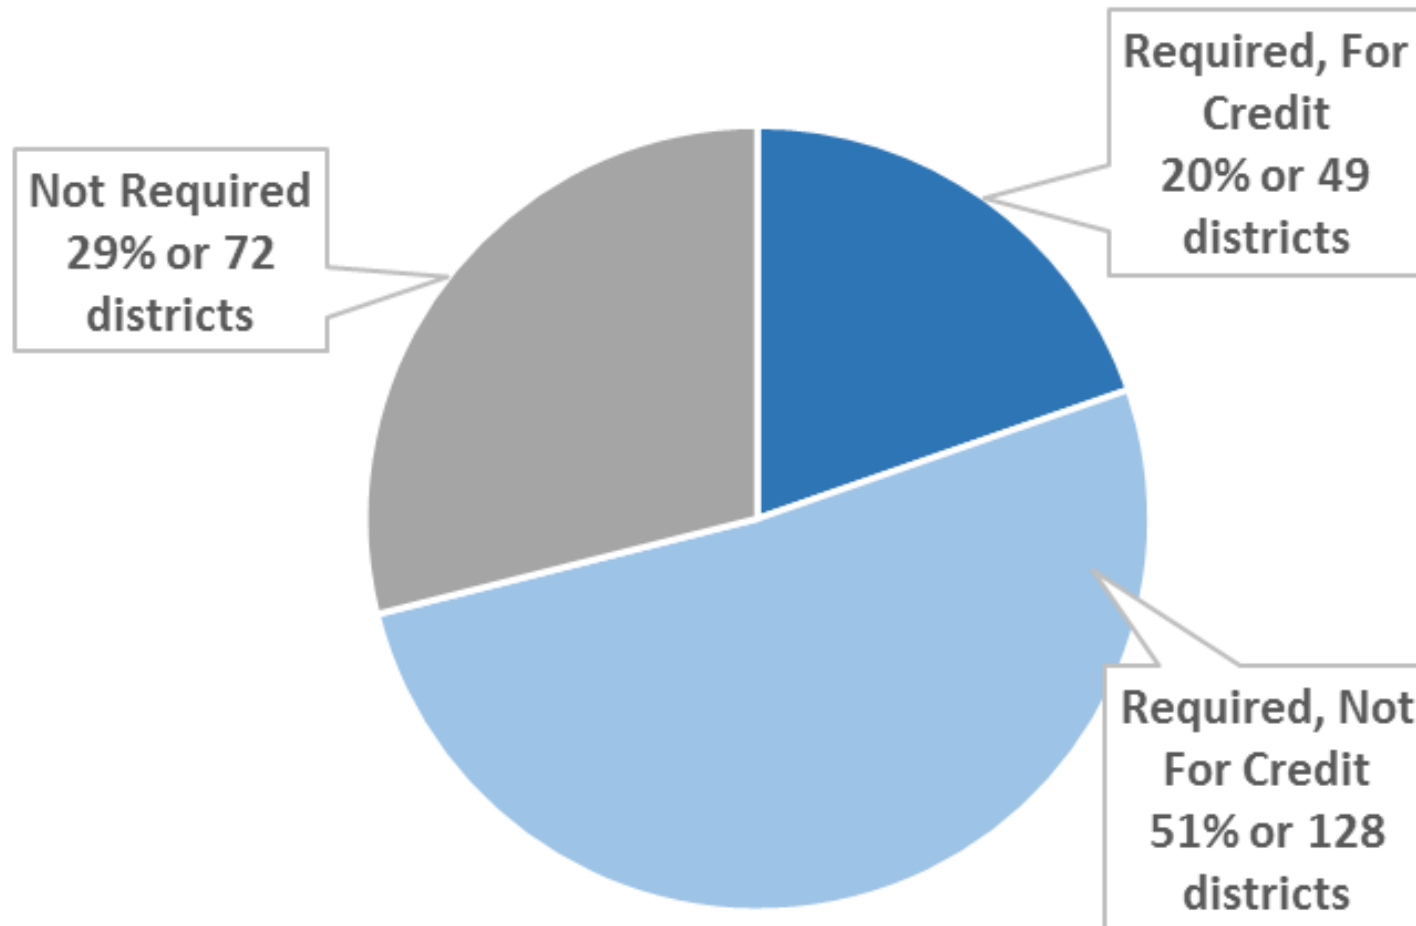

Purpose of this Data Update

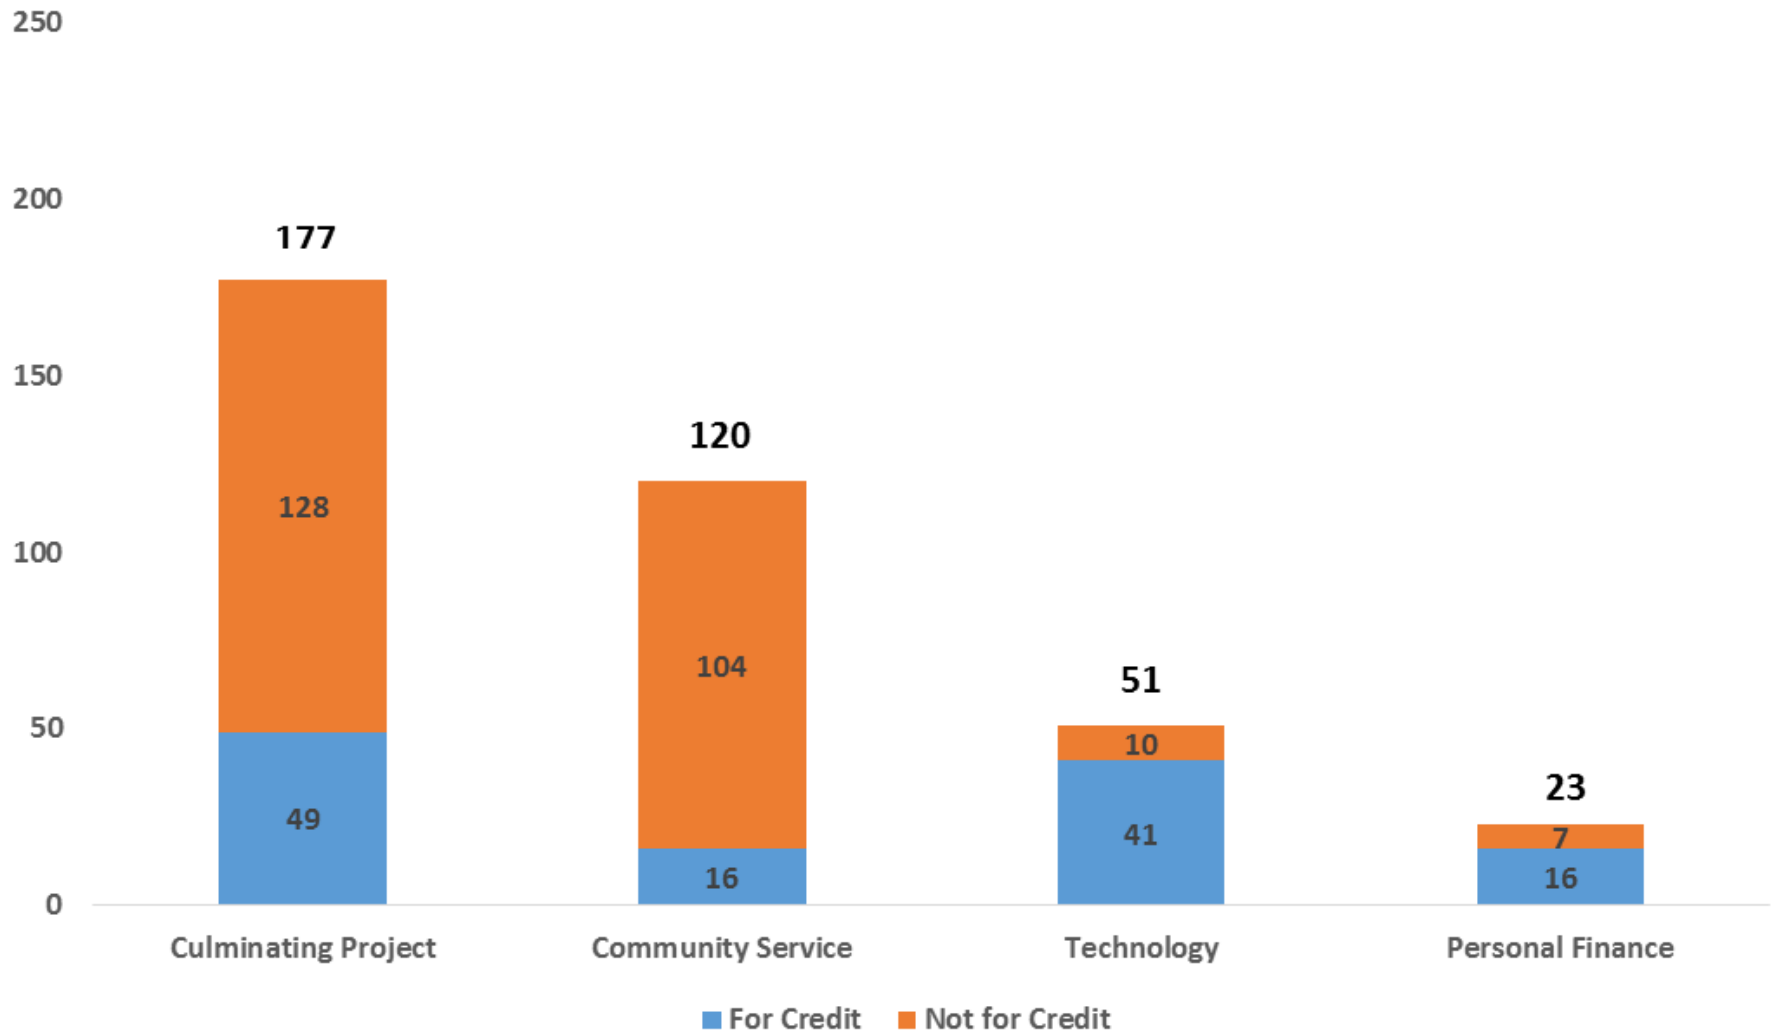

- How many districts require more locally than what the state requires?
- How many districts are “already there” in terms of meeting the 24-credit requirements?
- How many districts have implemented competency-based crediting and CTE course equivalencies?

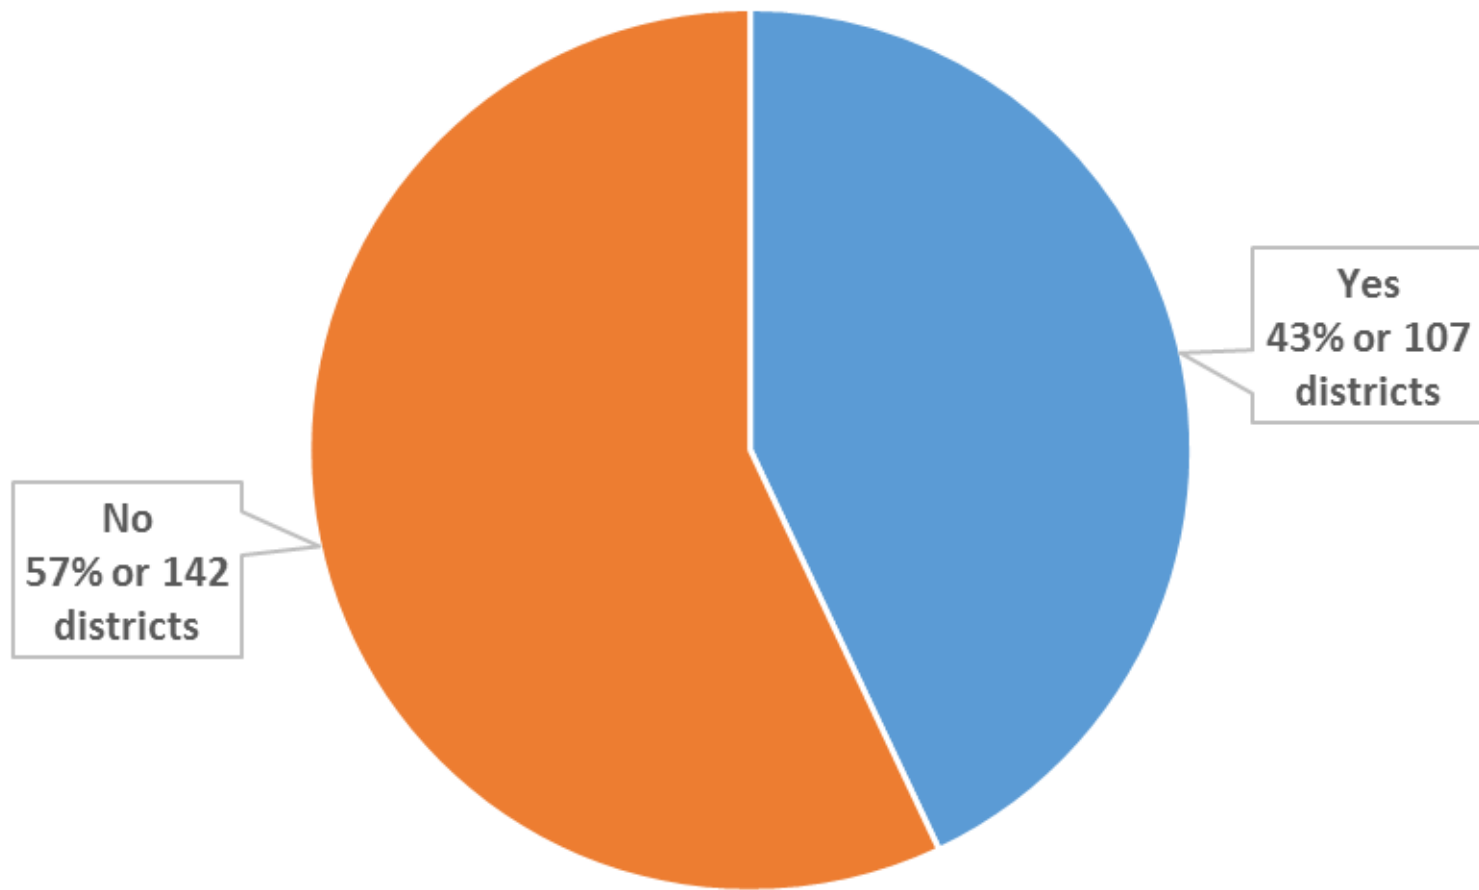

Number of Districts Requiring Culminating Project for the Class of 2015

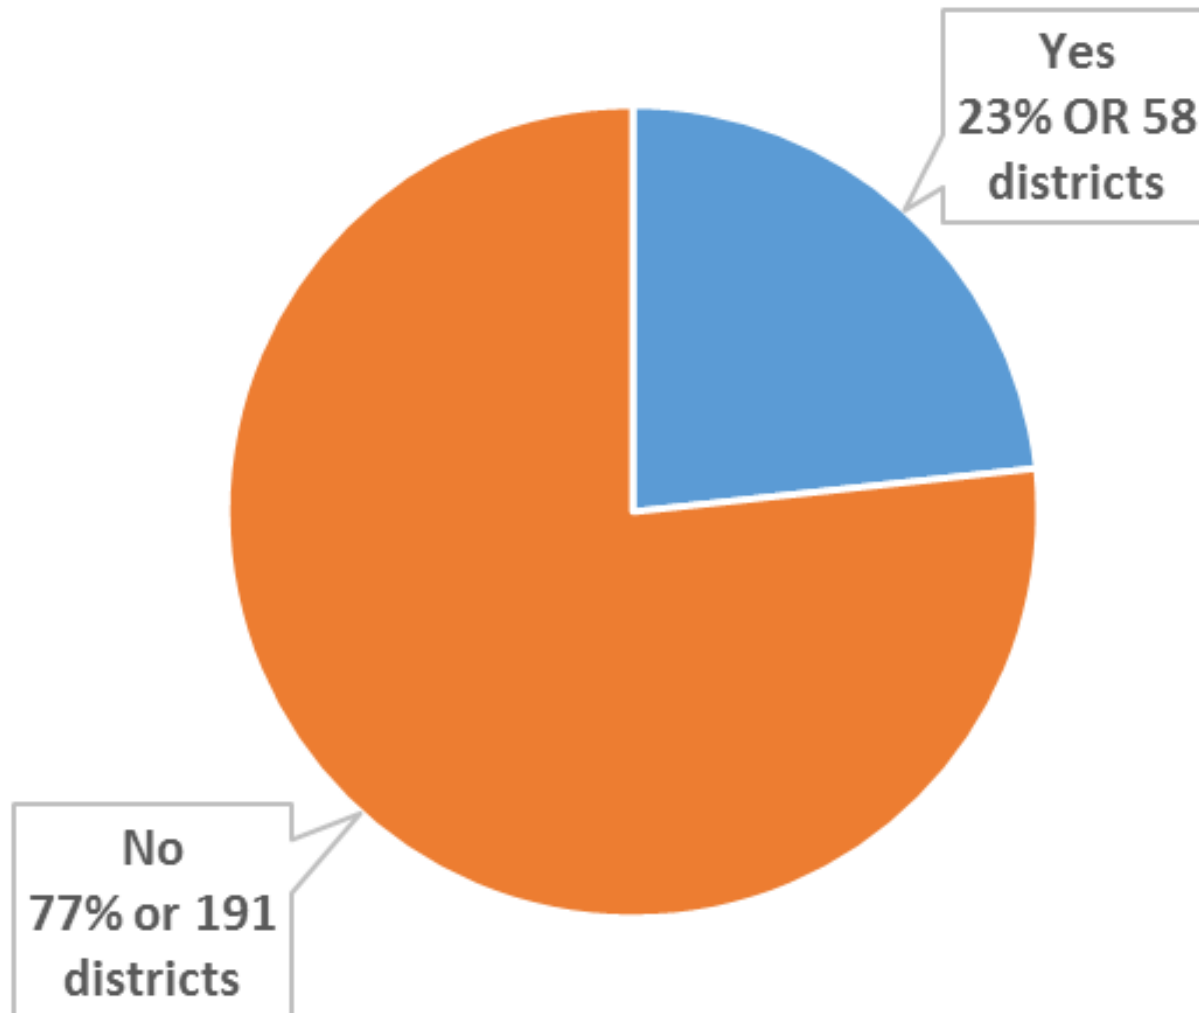

Districts Requiring Other Credits for the Graduation Class of 2015

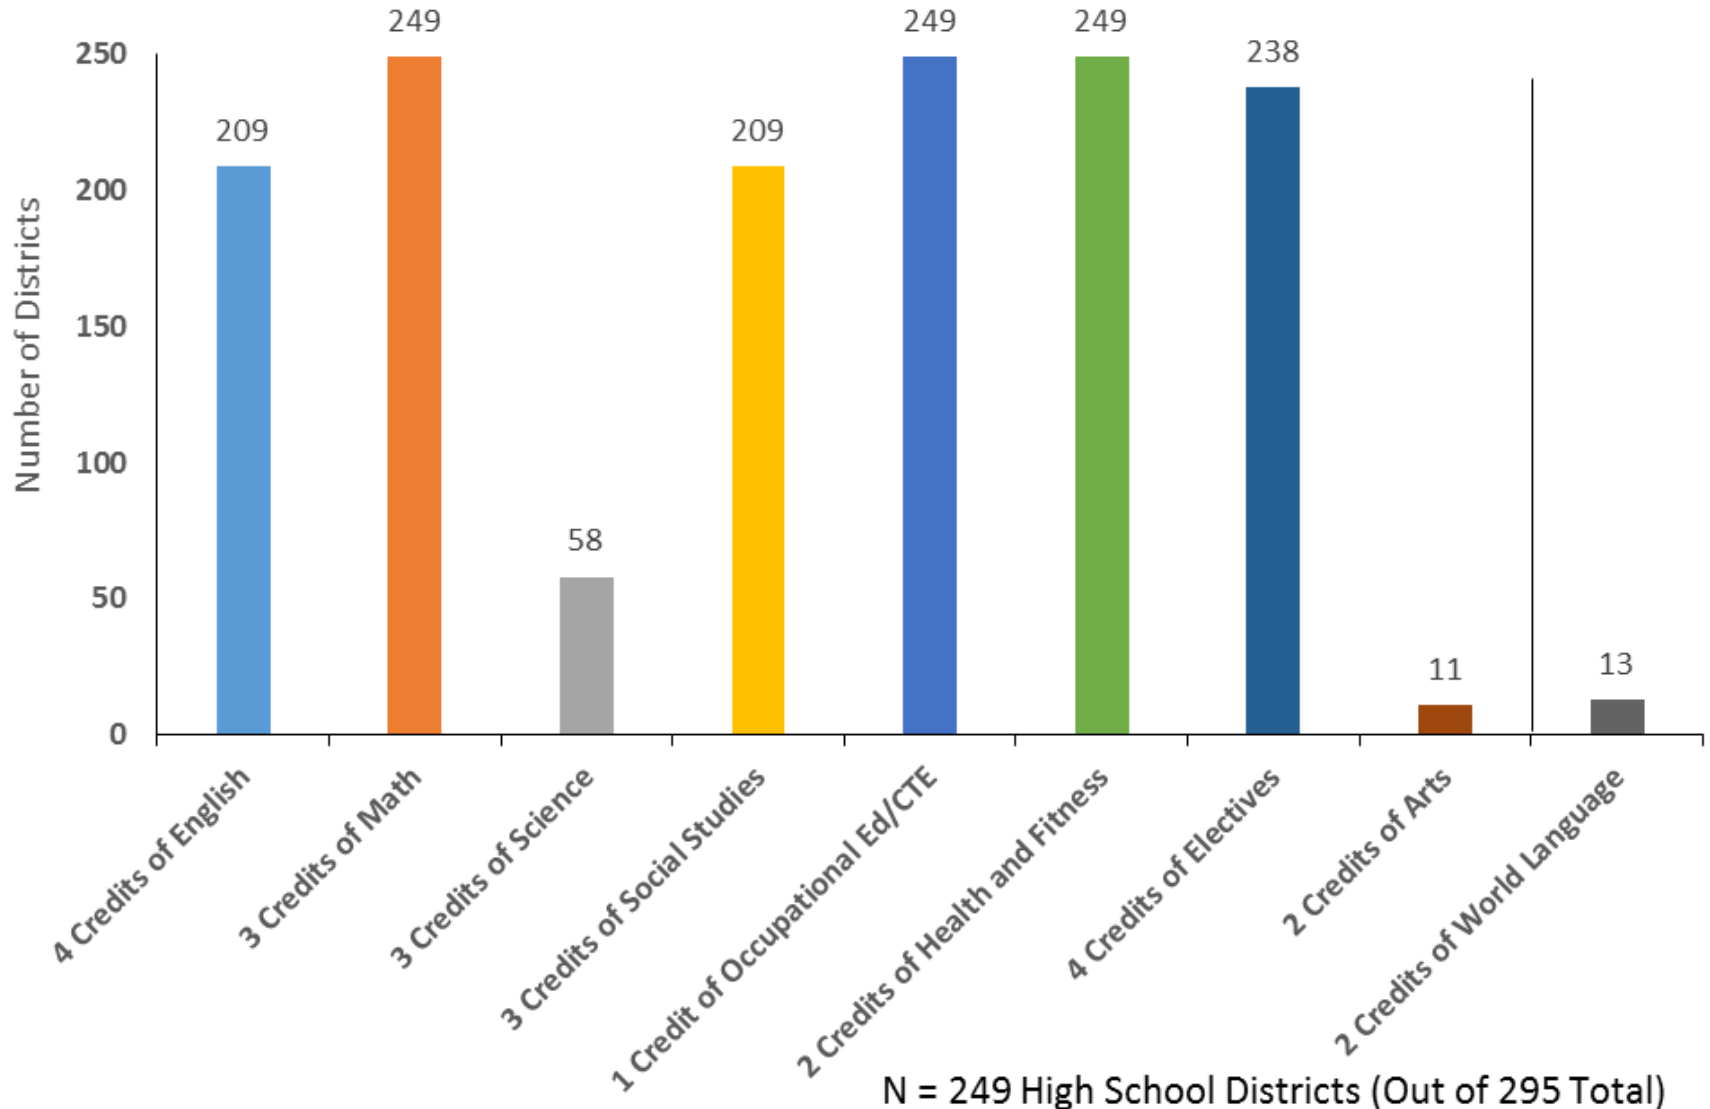

Districts reporting that they require 24 or more credits for the Class of 2015, regardless of combination

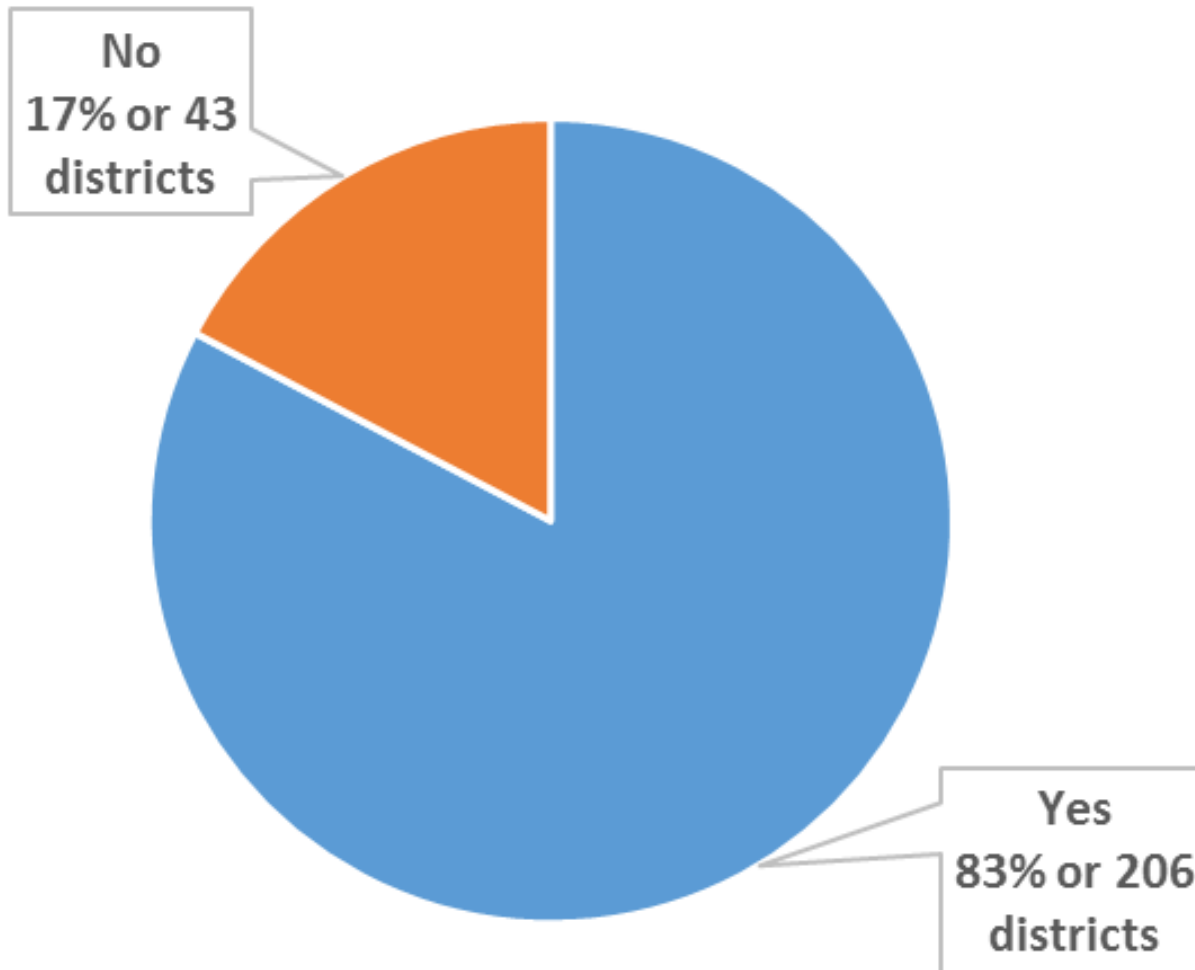

Districts already requiring a third credit of science for the Class of 2015

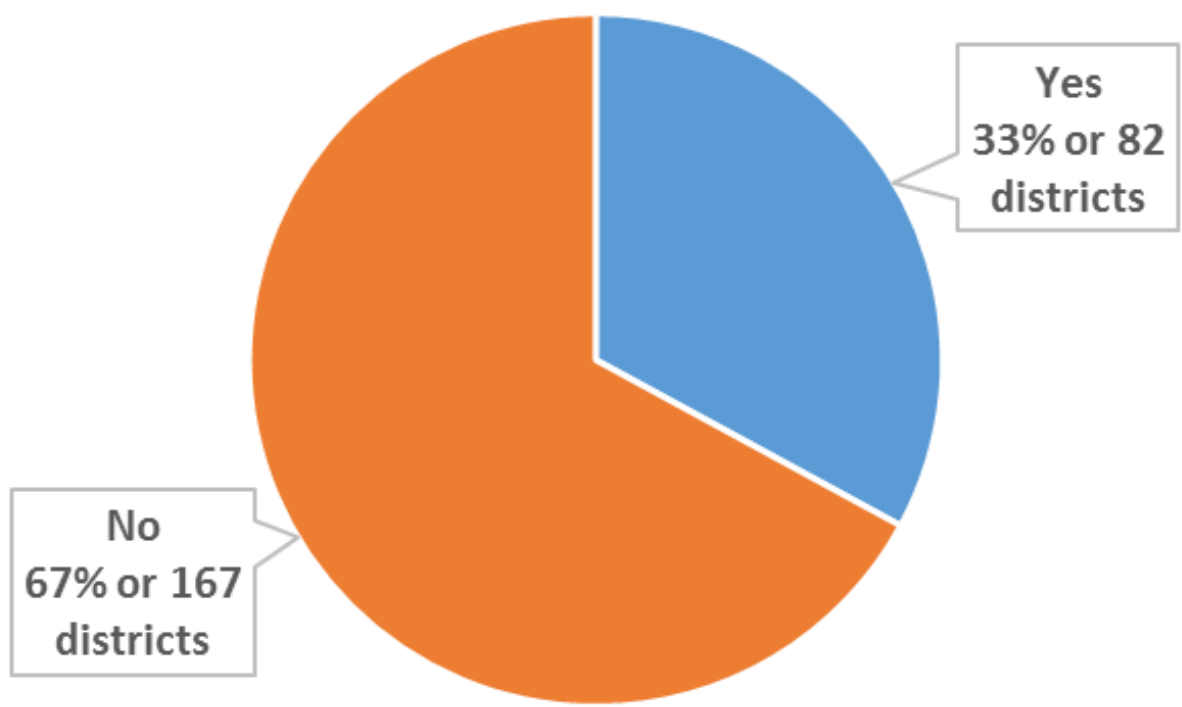

2015 District Graduation Requirements Compared to the 24-Credit Graduation Framework

Districts reporting that they offer CTE Course Equivalencies for the Class of 2015

Districts Offering Competency-Based Crediting for the Class of 2015
