Equity Lens - SBE is committed to using equity as a guiding principle in its work, to address persistent inequities within our educational system.

COLLABORATE

WHO? Are our
- Marginalized students?
- Underserved communities?
- Other partners?

Have we proactively engaged the above?

IDENTIFY

WHAT? Are the
- Unintended Consequences
- Institutional Policies
- Problematic Practices
- Restorative Measures
- Impacts on students

ACT

HOW? Are we
- Exposing & removing barriers?
- Redistributing access to opportunity & power?
- Disrupting & dismantling practices that cause predictable & disproportionate student outcomes?

Bottom line: HOW will this action achieve educational equity in student achievement?
